Programs

About the Program

This program will help start-ups connect with all the relevant agricultural stakeholders on a single platform and bridge the information gap thus facilitating a seamless exchange of knowledge, resources and Partnership opportunities. It also aims to connect all dots spanning in entrepreneurship spectrum for providing start-ups centric solutions.

This unique programme seeks to foster a vibrant community, enabling start-ups founders and agribusiness stakeholders to connect, share their experiences and collaborate in ways that drive progress. With an emphasis on fostering dialogues and facilitating learning, participants will have the opportunity to not only showcase their products but also to listen to fellow founders' stories.
