

MANAGE AC & ABC Incubation Center

**AGRICLINCS &
AGRIBUSINESS
CENTRES**
BETTER FARMING BY EVERY FARMER

MANAGE Agri Clinics & Agri Business Incubation Center is hosted at National Institute of Agricultural Extension Management (MANAGE). Through AC & ABC scheme (www.agriclinics.net), MANAGE has trained 53,544 professionals, of which 23,246 started their own enterprises. To fast-track growth in these enterprises, we have taken it to next level by providing them incubation support through our incubation center. The Incubation Centre is intended to nurture all interested potential agripreneurs.

VISION

- To enhance the agri-entrepreneurial ecosystem by strengthening the agro-advisory services
