Warm Greetings from MANAGE, Hyderabad!

As per the directions of the Ministry of Agriculture & Farmer's Welfare, Government of India, Nodal Training Institutes (NTIs) may install a bio-metric device at their training premises to capture the attendance of the DAESI candidates at least twice i.e., at 10.00 AM and 02.00 PM on the day of training class. The NTIs may incur the cost from unspent balances of the existing/previous batches of DAESI Programme or from the head of monitoring charges of NTI to purchase the device and to meet the expenses of its installation. Further, all the Directors of SAMETIs are requested to instruct all the NTIs implementing DAESI programme to install the biometric devices at the earliest possible. Please note that the NTIs which are not adhering to the guidelines of DAESI will be black-listed in due course.

Please acknowledge the receipt of this letter.
