Sub: Replacement of the drop-out candidates

It has been observed that, many candidates are dropping out after attending only few sessions of DAESI classes. This is leading to less candidates getting the DAESI diploma as the programs go along. The permission can be accorded to replace such drop-out candidates with waitlisted candidates in the NTIs.

The permission is accorded to replace the candidates within the first five weeks after the commencement of the program. The candidate those who want to join shall submit an undertaking to attend the remaining sessions diligently to meet the required attendance to be eligible for final examination. SAMETIs shall verify the eligibility of replaced candidates to enrol in DAESI program at NTIs. The fees paid by the drop-out candidates cannot be remitted back to candidates
