## 1. Agricultural Schemes

Sl. no	State Schemes	Description
1.	<b>Fasal Pradharshan</b>	
	1.1.SRI vidhi ds kshetra vistar se dhaan dh utpadakta vardhan	<a href="http://agriportal.cg.nic.in/agridept/StateScheme/1.1%20SRI%20Kshetra%20Vistar.pdf">http://agriportal.cg.nic.in/agridept/StateScheme/1.1%20SRI%20Kshetra%20Vistar.pdf</a>
	1.2.Dwifasliya kshetra vistar hetu rabi fasal pradharshan	<a href="http://agriportal.cg.nic.in/agridept/StateScheme/1.2%20Dwi%20Fasal%20Kshetra%20vistar.pdf">http://agriportal.cg.nic.in/agridept/StateScheme/1.2%20Dwi%20Fasal%20Kshetra%20vistar.pdf</a>
	1.3.Grishmakalin dhaan ke badle dalhan, tilhan, makka fasal ko protsahan	<a href="http://agriportal.cg.nic.in/agridept/StateScheme/1.3%20grishmkalindhankebadle.pdf">http://agriportal.cg.nic.in/agridept/StateScheme/1.3%20grishmkalindhankebadle.pdf</a>
	1.4.Paddy Transplanter machine se dhan ropayi par anudan	<a href="http://agriportal.cg.nic.in/agridept/StateScheme/1.4%20Paddy%20transStateScheme%20.pdf">http://agriportal.cg.nic.in/agridept/StateScheme/1.4%20Paddy%20transStateScheme%20.pdf</a>
2.	<b>Kisan Samriddhi Yojana</b>	<a href="http://agriportal.cg.nic.in/agridept/StateScheme/2%20kisansamriddhi.pdf">http://agriportal.cg.nic.in/agridept/StateScheme/2%20kisansamriddhi.pdf</a>
3.	<b>Krishak Samagra Vikas Yojana</b>	<a href="http://agriportal.cg.nic.in/agridept/StateScheme/3%20krishisamagr%20-%20Guideline.pdf">http://agriportal.cg.nic.in/agridept/StateScheme/3%20krishisamagr%20-%20Guideline.pdf</a>
4.	<b>Krishi Shramiko ks Dakshta Unnayan</b>	<a href="http://agriportal.cg.nic.in/agridept/StateScheme/4%20KrishiLabourdak.pdf">http://agriportal.cg.nic.in/agridept/StateScheme/4%20KrishiLabourdak.pdf</a>
5	<b>Laghuttam Sinchayi Yojana</b>	<a href="http://agriportal.cg.nic.in/agridept/StateScheme/5%20laghuttamsichai.pdf">http://agriportal.cg.nic.in/agridept/StateScheme/5%20laghuttamsichai.pdf</a>
6	<b>Shakambhari Yojana</b>	<a href="http://agriportal.cg.nic.in/agridept/StateScheme/shakambhari.pdf">http://agriportal.cg.nic.in/agridept/StateScheme/shakambhari.pdf</a>
7	<b>Krishi Yantra Sewa Kendra ki Sthapna</b>	<a href="http://agriportal.cg.nic.in/agridept/StateScheme/7%20Krishiyantra.pdf">http://agriportal.cg.nic.in/agridept/StateScheme/7%20Krishiyantra.pdf</a>

8	<b>Jaivik Kheti Mission</b>	<a href="http://agriportal.cg.nic.in/agridept/StateScheme/8%20jaivik%20kheti%20mission.pdf">http://agriportal.cg.nic.in/agridept/StateScheme/8%20jaivik%20kheti%20mission.pdf</a>
9	Rajiv Gandhi Kisan Nyay Yojana	<a href="http://agriportal.cg.nic.in/agridept/StateScheme/Rajiv_Gandhi_Kisan_Nyay_Yojana_Guideline.pdf">http://agriportal.cg.nic.in/agridept/StateScheme/Rajiv_Gandhi_Kisan_Nyay_Yojana_Guideline.pdf</a>

## 2. Fisheries -state funded schemes

### 1- Fish seed production

Mainly fisheries are the most important component of development. In fact, the pivot of the movement of the fish industry is the fish seed. To meet the demand of people living in remote fisheries, the work of producing quality fish seed through scientific methods is done under general plan and sub-plan, through these plans, fish seed is supplied in departmental reservoirs and rivers. She goes. Components of the budget received under these schemes are spent on repair of farms, electricity charges, hatchery operation, promotion of seed production, food supply and construction of new infrastructure.

### 2- Development of fisheries in rivers and reservoirs %-

Here 1770 reservoir is 0.89 lakh hectare water area, which is 56.40 percent of the total water area. 39 reservoirs in the state 49693 hectares were kept by the department and federation for fisheries, breeding, and to fulfill the education purpose.

As per the policy of the State, the average water area up to 200 hectares has been transferred to the Panchayati Raj Bodies on lease for the local fishermen's cooperative societies. For water bodies above 200 hectares are auctioned by the Department of Fisheries for a period of 5 years.

In respect of reservoirs above 200 hectares, after revision on 8th September 2007, according to the amended policy - from 200 to 1000 hectares and above 5000 hectares will be given on lease to fishermen cooperatives by the department. Water areas above 1000 and up to 5000 have been kept in the Fisheries Federation to be given on royalty basis. The policy of the department for fish seed collection in the reservoirs is that 100% of the fish seed collection in small reservoir by the lease holder and 50% of the total collection in medium and large reservoir will be met through this department.

### 3. Teaching and Training -

3.1 Departmental Training (10 Days) - Under this scheme, all categories of fishermen are given training in modern techniques of fisheries. Under the training, 10 days training is given for weaving nets, boating. 1250/- is spent on each trainee during training, which includes Rs.75/- per day scholarship, Rs.400/- nylon thread and Rs.100/- other expenses.

3.2 Refreshment course for fishermen (03 days) - Under this scheme, all categories of fishermen are made aware about the modern techniques of fisheries, field visits are also conducted. 1000/- is spent per beneficiary.

3.3 Study tour outside the state - Under this scheme, all the progressive fishermen are taken on a study tour outside the state to get acquainted with the information and techniques of modern fisheries taking place outside the state. 2500/- is spent on each beneficiary. In which training allowance is Rs.750/-, rent is Rs.1500/- and other expenditure is Rs.250/-.

3.4 Study tour outside the state - The need was felt by the department for a high-tech demonstration unit to demonstrate the techniques of intensive fish farming and high fish productivity through modern technology. Accordingly, a plan was approved to set up a training cum demonstration unit for the purpose of construction in which 1 hectare would be enriched with pond, nursery, tube well, pump house, watchman hut, electricity system. The unit cost is Rs.22.14 lakhs. A provision of Rs 19.74 lakh is made on the construction of the structure and Rs 2.40 lakh on feed/inputs.

4. Fisheries Extension - Under Tribal Sub-Plan and Special Component Plan, development of polyculture-Hajyinga rearing and ornamental fisheries in fresh water to fishermen, fish seed spawn promotion in seasonal pond, fish seed harvesting, boat net purchase, retail

fish sale in this way 7 sub-divisions. The program components were taken up in the fisheries extension programme. Under this, assistance of Rs.15,000/- is being given to the beneficiaries for Hajayinga rearing and Rs.12,000/- for the Ornamental Fisheries Industry Scheme.

Financial assistance is being given to the fishermen as follows -

a. ->Shrimp Farming

No.	Item	Grants			Max limit (%)
		1 <sup>st</sup> year	2 <sup>nd</sup> Year	3 <sup>rd</sup> Year	
1	Fish seed harvesting	645	415	210	1250
2	Zyga Juveniles Seed Harvesting and Transport	5000	3300	1700	10000
3	food, diet	1875	1250	625	3750
	contribution	7500	4965	2535	15000

(b) Financial assistance on boat and net - A new scheme has been taken to assist tribal and general category fishermen on boat nets for fishing, in which Rs. The beneficiary is benefited with a grant of 10000/-.

(c) Assistance on fish seed culture unit - Program of fish seed culture in fish seed in seasonal pond to SC/ST fishermen was taken under Fisheries Extension Program. Under this, Rs. A provision of grant of 30,000/- has been kept.

(D) Assistance Fingerling harvesting - SC / ST and RS for 50 percent harvesting can Fingerling purchasing grant ponds fishermen general Warsha. 2000/- is provided for 5 years.

(E) Assistance on finger harvesting in Naxal affected area - A provision of 5000 finger storage on 100% grant has been made in each of the ponds of Bijapur and Dantewada districts of Naxal affected area.

(f) Assistance on retail sale of fisheries - from the year 2010-11, by taking a new scheme, SC, ST. And on the purchase of ice box, weighing machine etc. to the general fishermen, Rs. 6000/- there is a provision to give grant in the form of assistance to each beneficiary.

(H) fish seed aid Utpadnkar Ā always - Rs on fish seed breeding by purchasing Utpadnkar Ā always for fish seed production. 45/- per kg or 30% of the total amount, whichever is less, there is a provision to provide assistance to the breeder producer in the form of incentive.

3. Fishermen Co - Operation - According to the policy of the government, ponds/reservoirs of water area more than 1.00 hectares are given on lease to registered fishermen cooperatives. For this, more and more fish cooperative societies are being organized. Financial assistance is being given to the societies in the form of loans and grants. Assistance of Rs.3.00 lakh is given to the committees in three years for various items like lease amount, boat-net purchase and fish seed purchase and storage.

The year wise details are as follows:-

No.	Item	Grants			Max limit (%)
1	pond lease amount	100% or Rs. 20 thousand, whichever is less	50% or Rs. 20 thousand, whichever is less	25% or Rs. 10 thousand, whichever is less	50,000
2	Fish Seed Purchase and Harvesting	100% or Rs. 25 thousand, whichever is less	50% or Rs. 20 thousand, whichever is less	25% or Rs. 10 thousand, whichever is less	70,000
3	Fishing equipment and supplements	100% or Rs. 90 thousand,	50% or Rs. 45 thousand,	50% or Rs. 45 thousand,	1,80,000

		whichever is less	whichever is less	whichever is less	
	Contribution				3,00,000

## 6. Fisheries and Research :-

6.1 Research - Research is the backbone of fisheries development. Under this, information about land, water quality, water biological, physico-chemistry is necessary with scientific method to achieve sustainable development of fisheries. Due to which the field staff can also be given important training related to basic requirement of fish production, identification and regulation of diseases.

6.2 Aquarium - With the main task of motivating the aesthetic values of the public and encouraging fisheries interest, the provision of continuous operation, expansion and promotion of research work of latest technology activities of fisheries, dissemination of information has been kept under this scheme.

6.3 Smt. Bilasabai Kentin Matsya Vikas Puraskar (State Level Award) - For fisheries, fish seed production, additional watershed development, integrated fisheries, conservation, development, disease and control of fisheries with advance technology in the field of fish development by the state government. There is a provision to give Rs 1.00 lakh award and state level honors to progressive farmers who achieve exceptional performance in research work.
