

GROUP-1

Manage Video :-

- Learn about the overview of MANAGE activities.
 - (1) Empowering Stakeholders.
 - (2) Sustainable Development

World Cafe :-

- Listen together for insight. (Listening is the art of communication)
- Contribute.
- Addressed real time problems and opportunities in shortest period of time.
- Consensus based discussion / conversation for responsible learning.
- Collaborative Environment.

- M - Management → It is our self excuse, that is making us not expand our research area.
- A - Active Participation
- N - Novelty
- A - Accountability
- G - Global Networking / collaboration
- E - Explore / Empathetic

Qualitative Research Methods :-

- Going beyond numbers.
- Realist how closed qualitative enquiry & quantitative enquiry are.
- How empathetic neutrality benefits social science researchers.
- Perspective on incentivization becoming counter productive
- We should be open to all channels of communication to benefit our research.

Time to change :-

- Extension is beyond TOT.

- We can use our own direction for our research.

Ice Breaking Sessions :-

- This is the best ice breaking session we have ever experienced.

TIME FOR STEP

BEYOND NEXT STEP

REVISITING DAY 1 OF NYPDP
