

MANAGE-FISHub's

Fisheries StartUp and Aquapreneurship Stakeholders Meet

Connect. Collaborate. Catalyse

In Collaboration with

Acharya Narendra Deva University of Agriculture & Technology

9th September, 2026

College of Fisheries, Kumarganj, Uttar Pradesh

MANAGE

The National Institute of Agricultural Extension Management (**MANAGE**), an autonomous organisation under the Ministry of Agriculture and Farmers Welfare, Government of India is an apex body for Agricultural Extension Management in India. MANAGE offers services like Capacity Building, Management Education, Piloting and Implementing Flagship National Schemes, Consultancy, Research, Knowledge Management and Policy Advocacy in Agricultural Extension Management (<https://www.manage.gov.in>).

MANAGE-FISHub

MANAGE-Fisheries Innovation and Startup Hub (**MANAGE-FISHub**) is a national-level incubation and innovation platform established at the National Institute of Agricultural Extension Management (MANAGE), Hyderabad, in 2025 with the support of the Department of Fisheries (DoF), Ministry of Fisheries, Animal Husbandry and Dairying (MoFAHD), Government of India. MANAGE-FISHub aims to transform India's fisheries and aquaculture sector through innovation, entrepreneurship, and ecosystem development by mentoring and promoting fisheries startups, creating employment and entrepreneurial opportunities aligned with national priorities, and enabling the rapid commercialization of technologies emerging from research, academia, and individual innovators. (<https://www.manage.gov.in/managefishub>).

ANDUAT

Acharya Narendra Deva University of Agriculture & Technology (ANDUAT), located at Kumarganj, Ayodhya, Uttar Pradesh, is a multidisciplinary agricultural university established in 1975. The University is named after the eminent educationist and freedom fighter Acharya Narendra Deva.

ANDUAT has developed as a major centre for education, research and extension in agriculture and allied sciences, particularly serving the needs of Eastern Uttar Pradesh. Its academic and research areas include agriculture, horticulture, forestry, fisheries, veterinary science, animal husbandry, agricultural engineering and community science.

The University follows an integrated approach to teaching, research and extension, with emphasis on generating relevant technologies, educating students and transferring innovations to farmers and rural communities. Its extension system includes 25 Krishi Vigyan Kendras (KVKs) and 4 Krishi Gyan Kendras (KGKs) supporting technology dissemination and capacity building in Eastern Uttar Pradesh.

ANDUAT's academic programs are designed not only to produce graduates for employment but also to support self-employment and entrepreneurship. (<https://www.nduat.org.in>).

Objectives

01.

To provide quality education in agriculture and allied sciences.

To Build a robust research network in agricultural and allied sciences.

02.

03.

To Address regional management and farming challenges specific to Eastern Uttar Pradesh.

To improve farmers' livelihoods and self-reliance through need-based research, technology transfer, training, and farm advisory services.

04.

About the Program

The Fisheries-StartUp & Aquapreneurship Stakeholders Meet aims to bring together all key stakeholders of India's fisheries and aquaculture ecosystem on a single collaborative platform and bridge the information gap, by facilitating a seamless exchange of knowledge, resources, and partnership opportunities among them.

The program aims to strengthen the fisheries entrepreneurship landscape by fostering innovation, collaboration, and value-chain integration. It provides startups with opportunities to showcase innovations, connect with partners, and learn from successful ventures. By facilitating dialogue and partnerships, the program seeks to build an inclusive ecosystem that accelerates sustainable growth, technological adoption, and blue economy development.
