MANAGE-FISHub's

Fisheries-StartUp & Aquapreneurship Stakeholders Meet

Connect. Collaborate. Catalyse

In Collaboration with

Tamil Nadu Dr.J.Jayalalithaa Fisheries University

19 December, 2025

MANAGE

The National Institute of Agricultural Extension Management (**MANAGE**), an autonomous organisation under the Ministry of Agriculture and Farmers Welfare, Government of India is an apex body for Agricultural Extension Management in India. MANAGE offers services like Capacity building, Management Education, Piloting and Implementing Flagship National Schemes, Consultancy, Research, Knowledge Management and Policy Advocacy in Agricultural Extension Management (<https://www.manage.gov.in>).

MANAGE-FISHub

MANAGE-Fisheries Innovation and Startup Hub (**MANAGE-FISHub**) is a national- level incubation and innovation platform established at the National Institute of Agricultural Extension Management (MANAGE), Hyderabad, in 2025 with the support of the Department of Fisheries (DoF), Ministry of Fisheries, Animal Husbandry and Dairying (MoFAHD), Government of India. MANAGE-FISHub aims to transform India's fisheries and aquaculture sector through innovation, entrepreneurship, and ecosystem development by mentoring and promoting fisheries startups, creating employment and entrepreneurial opportunities aligned with national priorities, and enabling the rapid commercialization of technologies emerging from research, academia, and individual innovators. TNJFU

Tamil Nadu Dr. J. Jayalalithaa Fisheries University (TNJFU) is the apex institution in Tamil Nadu dedicated exclusively to fisheries education, research, and extension. Established in 2012 and headquartered in Nagapattinam, the University aims to strengthen the fisheries and aquaculture sector through skilled human resource development, innovative research, and technology dissemination. Comprising eleven constituent colleges, TNJFU offers undergraduate, postgraduate, and doctoral programs in fisheries science, fisheries engineering, biotechnology, food technology, and allied disciplines. Accredited by the Indian Council of Agricultural Research (ICAR) and University Grants Commission (UGC), the University fosters entrepreneurship, blue economy development, and sustainable fisheries management through its network of research stations, training centers, and outreach programs. (<https://www.tnjfu.ac.in/index>)

Objectives

01.

To impart quality professional education in different branches of Fisheries Sciences

To conduct organized research in frontier areas with the objective of developing cutting edge technologies in Fisheries Sciences

02.

03.

To generate high quality professionals in Fisheries Sciences

To facilitate comprehensive development of Fisheries Sciences for increased contribution to State economy

04.

05.

To provide extension services like training, consultancy, project formulation to fish farmers, fisherfolk, unemployed youth and entrepreneurs in Fisheries Sciences

To create better opportunities for marketing and value addition of fish and fishery products

06.

About the Program

The Fisheries-StartUp & Aquapreneurship Stakeholders Meet aims to bring together all key stakeholders of India's fisheries and aquaculture ecosystem on a single collaborative platform and bridge the information gap, by facilitating a seamless exchange of knowledge, resources, and partnership opportunities among them.

The program aims to strengthen the fisheries entrepreneurship landscape by fostering innovation, collaboration, and value-chain integration. It provides startups with opportunities to showcase innovations, connect with partners, and learn from successful ventures. By facilitating dialogue and partnerships, the program seeks to build an inclusive ecosystem that accelerates sustainable growth, technological adoption, and blue economy development.

Who Can Attend?

Fisheries Startups & Aquapreneurs

Aspiring Aquapreneurs

Fisheries Incubators, Accelerators & Innovation Hubs

Fishers & Fish Farmers

Fisheries Students & Researchers

Financial & Funding Organisations

Academic & Research Institutes

Fisheries & Allied Industries

FFPOs, Cooperatives & SHG's

Policy Makers

NGO's & Extension Functionaries

Other Stakeholders in the Fisheries Startup Ecosystem

Focus Areas

**Aquaculture
Mechanisation &
Innovation**

**AI & IOT in
Fisheries**

**Waste to
Wealth**

**Biotechnology &
Genetics**

**Integrated &
Secondary
Aquaculture**

**Blockchain
Technology**

**Fisheries Extension
&
Advisory**

**Post-Harvest &
Cold chain
innovations**

**Fisheries Inputs
& Feed Technology**

**Other Innovations
in Fisheries &
Aquaculture**

Key Takeaways

Build Networks

Meet individuals who can potentially become business partners, clients, mentors, or collaborators.

Gain Visibility

Showcase your products and technologies to a relevant audience, increasing your visibility within the local business community.

Learning & Exposure

Gain insights from Fisheries-Startup Stakeholders through Networking, Talks and Discussions

Forge New Partnerships

Facilitate collaborations and discover opportunities for joint ventures, partnerships, or projects that align with your objectives.

Discover New Opportunities

Engage with innovators, experts, and institutions to explore emerging trends and startup opportunities in the fisheries sector.
