MANAGE

The National Institute of Agricultural Extension Management (MANAGE), an autonomous organisation under the Ministry of Agriculture and Farmers Welfare, Government of India is an apex body for Agricultural Extension Management in India. MANAGE offers services like Capacity building, Management Education, Piloting and Implementing Flagship National Schemes, Consultancy, Research, Knowledge Management and Policy Advocacy in Agricultural Extension Management (<https://www.manage.gov.in>).

MANAGE-FISHub

MANAGE-Fisheries Innovation and Startup Hub (MANAGE-FISHub) is a national-level incubation and innovation platform established at the National Institute of Agricultural Extension Management (MANAGE), Hyderabad, in 2025 with the support of the Department of Fisheries (DoF), Ministry of Fisheries, Animal Husbandry and Dairying (MoFAHD), Government of India. MANAGE-FISHub aims to transform India's fisheries and aquaculture sector through innovation, entrepreneurship, and ecosystem development by mentoring and promoting fisheries startups, creating employment and entrepreneurial opportunities aligned with national priorities, and enabling the rapid commercialization of technologies emerging from research, academia, and individual innovators. MAFSU

The Maharashtra Animal and Fishery Sciences University was established through the notification dated November 17, 2000 under the State Act No. 1998 (Mah. XVII of 1998) on 3rd December 2000 at Nagpur. The University was carved out of the four Agricultural Universities in the State by transferring five Veterinary Colleges, one Post Graduate Veterinary Institute and one Dairy Technology College. Subsequently, University established two Fishery Colleges, one Dairy Technology College, one Wild Life Research and Training Centre. Our mission is to ensure enlightenment and empowerment of students by imparting advanced knowledge in the fields of animal, dairy and fishery sciences by adopting innovative, efficient and effective strategies.

College of Fishery Science, Nagpur was established on 16th October, 2006 with an aim to create qualified and trained manpower in the field of Fisheries. Our department is providing efficient technical and professional man power for the field of Fishing Technology and Fisheries Engineering. More specifically the college will provide quality education in core and emerging disciplines of fisheries science and will conduct strategic, applied and operational research in fisheries, aquaculture and related science.

Objectives

1

To produce knowledge bearing man power in the field of Veterinary, Animal Science, Dairy Technology & Fishery Science

To develop extension methodologies modules & address policy issues in respect of animal health & productivity, service delivery in the state of Maharashtra.

2

3

To play a role of think tank for the department of animal husbandry, dairy development & fisheries to assist in policies monitoring and impact analysis.

About the Program

Aqua Yuva is a youth-focused programme aimed at empowering fisheries students and young professionals with knowledge, skills, and exposure to entrepreneurship and aquaculture startups. The programme provides a platform to interact with experts and stakeholders, enabling exchange of ideas and insights.

By bridging the gap between technical education and enterprise development, Aqua Yuva inspires participants towards self-employment and aquapreneurship. The programme nurtures a confident, skilled, and future-ready generation capable of contributing to sustainable fisheries development and the growth of India's blue economy.

Who can attend?

**Fisheries Students
(UG / PG / Ph.D.)**

Registration fees

**₹500 per
participant**

Focus areas

Key Takeaways

Build Networks
Meet individuals who can potentially become business partners, clients, mentors, or collaborators.

Forge New Partnerships
Facilitate collaborations and discover opportunities for joint ventures, partnerships, or projects that align with your objectives.

Gain Visibility
Showcase your products and technologies to a relevant audience, increasing your visibility within the local business community.

Discover New Opportunities
Engage with innovators, experts, and institutions to explore emerging trends and startup opportunities in the fisheries sector.

Learning & Exposure
Gain insights from Fisheries-Startup Stakeholders through Networking, Talks and Discussions
