MANAGE

The National Institute of Agricultural Extension Management (MANAGE), an autonomous organisation under the Ministry of Agriculture and Farmers Welfare, Government of India is an apex body for Agricultural Extension Management in India. MANAGE offers services like Capacity building, Management Education, Piloting and Implementing Flagship National Schemes, Consultancy, Research, Knowledge Management, Mentoring Agri-Startup and Policy Advocacy in Agricultural Extension Management. (<https://www.manage.gov.in>)

MANAGE-FISHub

MANAGE-Fisheries Innovation and Startup Hub (MANAGE-FISHub) is a national-level incubation and innovation platform established at the National Institute of Agricultural Extension Management (MANAGE), Hyderabad, in 2025 with the support of the Department of Fisheries (DoF), Ministry of Fisheries, Animal Husbandry and Dairying (MoFAHD), Government of India. MANAGE-FISHub aims to transform India's fisheries and aquaculture sector through innovation, entrepreneurship, and ecosystem development by mentoring and promoting fisheries startups, creating employment and entrepreneurial opportunities aligned with national priorities, and enabling the rapid commercialization of technologies emerging from research, academia, and individual innovators. MPUAT

Maharana Pratap University of Agriculture and Technology (MPUAT), Udaipur, is a State Agricultural University established by the Government of Rajasthan on 01 November, 1999 through the bifurcation of the former Rajasthan Agricultural University, Bikaner. Headquartered in Udaipur, Rajasthan, MPUAT serves the agricultural, fisheries, and allied development needs of southern and south-eastern Rajasthan. The University is dedicated to education, research, extension, and technology transfer in agriculture, agricultural engineering, fisheries, dairy and food technology, horticulture, forestry, and allied sciences, with the objective of promoting sustainable agricultural growth, enhancing farmers' livelihoods, and supporting rural development through innovation and region-specific solutions. The College of Fisheries (COF), Udaipur, a constituent college of Maharana Pratap University of Agriculture and Technology, is an Indian Council of Agricultural Research (ICAR) accredited premier institution dedicated to excellence in fisheries education, research, and extension. Evolving from the Department of Limnology and Fisheries, it plays a vital role in advancing India's Blue Economy by integrating sustainable freshwater resource management with modern inland aquaculture and aquatic technologies in the picturesque city of Udaipur. (<https://www.mpuat.ac.in/>)

Objectives

01.

To impart quality fisheries education through modern teaching methods, practical training, and experiential learning.

02.

To develop skilled fisheries professionals capable of sustainable management, conservation, and scientific utilization of aquatic resources.

03.

To promote innovation, research, and entrepreneurship in aquaculture, fish breeding, value addition, aquaponics, and allied sectors.

04.

To strengthen fisheries development through extension, technology transfer, and industry-oriented education for national and global opportunities.

About the Program

The Fisheries-StartUp and Aquapreneurship Stakeholders Meet aims to bring together all key stakeholders of India's fisheries and aquaculture ecosystem on a single collaborative platform and bridge the information gap, by facilitating a seamless exchange of knowledge, resources, and partnership opportunities among them.

The program aims to strengthen the fisheries entrepreneurship landscape by fostering innovation, collaboration, and value-chain integration. It provides startups with opportunities to showcase innovations, connect with partners and learn from successful ventures. By facilitating dialogue and partnerships, the program seeks to build an inclusive ecosystem that accelerates sustainable growth, technological adoption, and blue economy development.

Who Can Attend?

Fisheries Startups & Aquapreneurs

Aspiring Aquapreneurs

Fisheries Incubators, Accelerators & Innovation Hubs

Fishers & Fish Farmers

Fisheries Students & Researchers

Financial & Funding Organisations

Academic & Research Institutes

Fisheries & Allied Industries

FFPOs, Cooperatives & SHG's

Policy Makers

NGO's & Extension Functionaries

Other Stakeholders in the Fisheries Startup Ecosystem

Focus Areas

Aquaculture
Mechanisation
& Innovation

AI & IOT in
Fisheries

Waste to
Wealth

Biotechnology
& Genetics

Integrated &
Secondary
Aquaculture

Blockchain
Technology

Fisheries Extension
&
Advisory

Post-Harvest
& Cold chain
innovations

Fisheries Inputs
& Feed Technology

Other Innovations
in Fisheries &
Aquaculture

Key Takeaways

Build Networks

Meet individuals who can potentially become business partners, clients, mentors, or collaborators.

Gain Visibility

Showcase your products and technologies to a relevant audience, increasing your visibility within the local business community.

Learning & Exposure

Gain insights from Fisheries-Startup Stakeholders through Networking, Talks and Discussions

Forge New Partnerships

Facilitate collaborations and discover opportunities for joint ventures, partnerships, or projects that align with your objectives.

Discover New Opportunities

Engage with innovators, experts, and institutions to explore emerging trends and startup opportunities in the fisheries sector.

Organising Team

Prof. (Dr.) Pratap Singh

Hon'ble. Vice-Chancellor
