MANAGE

The National Institute of Agricultural Extension Management (MANAGE), an autonomous organisation under the Ministry of Agriculture and Farmers Welfare, Government of India is an apex body for Agricultural Extension Management in India. MANAGE offers services like Capacity building, Management Education, Piloting and Implementing Flagship National Schemes, Consultancy, Research, Knowledge Management and Policy Advocacy in Agricultural Extension Management (<https://www.manage.gov.in>).

MANAGE-FISHub

MANAGE-Fisheries Innovation and Startup Hub (MANAGE-FISHub) is a national-level incubation and innovation platform established at the National Institute of Agricultural Extension Management (MANAGE), Hyderabad, in 2025 with the support of the Department of Fisheries (DoF), Ministry of Fisheries, Animal Husbandry and Dairying (MoFAHD), Government of India. MANAGE-FISHub aims to transform India's fisheries and aquaculture sector through innovation, entrepreneurship, and ecosystem development by mentoring and promoting fisheries startups, creating employment and entrepreneurial opportunities aligned with national priorities, and enabling the rapid commercialization of technologies emerging from research, academia, and individual innovators. MAFSU

The Maharashtra Animal and Fishery Sciences University was established through the notification dated November 17, 2000 under the State Act No. 1998 (Mah. XVII of 1998) on 3rd December 2000 at Nagpur. The University was carved out of the four Agricultural Universities in the State by transferring five Veterinary Colleges, one Post Graduate Veterinary Institute and one Dairy Technology College. Subsequently, University established two Fishery Colleges, one Dairy Technology College, one Wild Life Research and Training Centre. Our mission is to ensure enlightenment and empowerment of students by imparting advanced knowledge in the fields of animal, dairy and fishery sciences by adopting innovative, efficient and effective strategies.

College of Fishery Science, Nagpur was established on 16th October, 2006 with an aim to create qualified and trained manpower in the field of Fisheries. Our department is providing efficient technical and professional man power for the field of Fishing Technology and Fisheries Engineering. More specifically the college will provide quality education in core and emerging disciplines of fisheries science and will conduct b strategic, applied and operational research in fisheries, aquaculture and related science. (<https://www.mafsu.ac.in>)

Objectives

01.

To produce knowledge bearing man power in the field of Veterinary, Animal Science, Dairy Technology & Fishery Science.

02.

To develop extension methodologies modules & address policy issues in respect of animal health & productivity, service delivery in the state of Maharashtra.

03.

To play a role of think tank for the department of animal husbandry, dairy development & fisheries to assist in policies monitoring and impact analysis.

04.

To facilitate effective transfer of aquaculture technologies to fish farmers, entrepreneurs and rural youth, through training programs, demonstrations and workshops

About the Program

The Fisheries-StartUp and Aquapreneurship Stakeholders Meet aims to bring together all key stakeholders of India's fisheries and aquaculture ecosystem on a single collaborative platform and bridge the information gap, by facilitating a seamless exchange of knowledge, resources, and partnership opportunities among them.

The program aims to strengthen the fisheries entrepreneurship landscape by fostering innovation, collaboration, and value-chain integration. It provides startups with opportunities to showcase innovations, connect with partners and learn from successful ventures. By facilitating dialogue and partnerships, the program seeks to build an inclusive ecosystem that accelerates sustainable growth, technological adoption, and blue economy development.

Who Can Attend?

Fisheries Startups & Aquapreneurs

Aspiring Aquapreneurs

Fisheries Incubators, Accelerators & Innovation Hubs

Fishers & Fish Farmers

Fisheries Students & Researchers

Financial & Funding Organisations

Academic & Research Institutes

Fisheries & Allied Industries

FFPOs, Cooperatives & SHG's

Policy Makers

NGO's & Extension Functionaries

Other Stakeholders in the Fisheries Startup Ecosystem

Focus Areas

**Aquaculture
Mechanisation
& Innovation**

**AI & IOT in
Fisheries**

**Waste to
Wealth**

**Biotechnology
& Genetics**

**Integrated &
Secondary
Aquaculture**

**Blockchain
Technology**

**Fisheries Extension
&
Advisory**

**Post-Harvest
& Cold chain
innovations**

**Fisheries Inputs
& Feed Technology**

**Other Innovations
in Fisheries &
Aquaculture**

Key Takeaways

Build Networks
Meet individuals who can potentially become business partners, clients, mentors, or collaborators.

Gain Visibility
Showcase your products and technologies to a relevant audience, increasing your visibility within the local business community.

Learning & Exposure
Gain insights from Fisheries-Startup Stakeholders through Networking, Talks and Discussions

Forge New Partnerships
Facilitate collaborations and discover opportunities for joint ventures, partnerships, or projects that align with your objectives.

Discover New Opportunities
Engage with innovators, experts, and institutions to explore emerging trends and startup opportunities in the fisheries sector.
