MANAGE-FISHHub

MANAGE

The National Institute of Agricultural Extension Management (**MANAGE**), an autonomous organisation under the Ministry of Agriculture and Farmers Welfare, Government of India is an apex body for Agricultural Extension Management in India. **MANAGE** offers services like Capacity building, Management Education, Piloting and Implementing Flagship National Schemes, Consultancy, Research, Knowledge Management and Policy Advocacy in Agricultural Extension Management (<https://www.manage.gov.in>).

MANAGE-FISHub

MANAGE-Fisheries Innovation and Startup Hub (MANAGE-FISHub) is a national- level incubation and innovation platform established at the National Institute of Agricultural Extension Management (**MANAGE**), Hyderabad, in 2025 with the support of the Department of Fisheries (DoF), Ministry of Fisheries, Animal Husbandry and Dairying (MoFAHD), Government of India. **MANAGE-FISHub** aims to transform India's fisheries and aquaculture sector through innovation, entrepreneurship, and ecosystem development by mentoring and promoting fisheries startups, creating employment and entrepreneurial opportunities aligned with national priorities, and enabling the rapid commercialization of technologies emerging from research, academia, and individual innovators. (<https://www.manage.gov.in/managefishub/>)

Our Programs

APFU

Andhra Pradesh Fisheries University (APFU) is the apex institution in Andhra Pradesh dedicated exclusively to fisheries education, research, and extension. The University was established in 2020 and headquartered in Vijayawada, AP. The University aims to strengthen the fisheries and aquaculture sector through skilled human resource development, innovative research and technology dissemination. APFU offers Undergraduate in Fisheries Science, & Postgraduate programs in Aquaculture, Aquatic Animal Health Management, Fisheries Engineering, Fisheries Resource Management & Fish Processing Technology, and Doctoral program in Aquatic Animal Health Management & Fisheries Resource Management.

Objectives

01.

To provide quality education to create skilled professionals for the Aquaculture and Fisheries Industries.

To conduct research to solve problems faced by stakeholders in Andhra Pradesh and extend scientific knowledge and sustainable practices.

02.

03.

To Refine and develop technology to improve fisheries and aquaculture practices.

To undertake the Extension activities to strengthen the Economic standards of Farming Community.

04.

05.

To run fish seed farms or demonstration units for practical training and breeding.

To focus on ecological health, population dynamics, and conservation of aquatic resources

06.

About the Program

The Fisheries-StartUp & Aquapreneurship Stakeholders Meet aims to bring together all key stakeholders of India's fisheries and aquaculture ecosystem on a single collaborative platform and bridge the information gap, by facilitating a seamless exchange of knowledge, resources, and partnership opportunities among them.

The program aims to strengthen the fisheries entrepreneurship landscape by fostering innovation, collaboration, and value-chain integration. It provides startups with opportunities to showcase innovations, connect with partners, and learn from successful ventures. By facilitating dialogue and partnerships, the program seeks to build an inclusive ecosystem that accelerates sustainable growth, technological adoption, and blue economy development.

Who Can Attend?

Fisheries Startups &
Aquapreneurs

Aspiring
Aquapreneurs

Fisheries Incubators,
Accelerators &
Innovation Hubs

Fishers &
Fish Farmers

Fisheries Students
& Researchers

Financial & Funding
Organisations

Academic &
Research
Institutes

Fisheries & Allied
Industries

FFPOs,
Cooperatives
& SHG's

Policy Makers

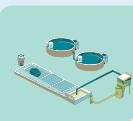

NGO's & Extension
Functionaries

Other Stakeholders
in the Fisheries
Startup Ecosystem

Focus Areas

Aquaculture Mechanisation & Innovation

AI & IOT in Fisheries

Waste to Wealth

Biotechnology & Genetics

Integrated & Secondary Aquaculture

Blockchain Technology

Fisheries Extension & Advisory

Post-Harvest & Cold chain innovations

Fisheries Inputs & Feed Technology

Other Innovations in Fisheries & Aquaculture

Key Takeaways

Build Networks

Meet individuals who can potentially become business partners, clients, mentors, or collaborators.

Gain Visibility

Showcase your products and technologies to a relevant audience, increasing your visibility within the local business community.

Learning & Exposure

Gain insights from Fisheries-Startup Stakeholders through Networking, Talks and Discussions

Forge New Partnerships

Facilitate collaborations and discover opportunities for joint ventures, partnerships, or projects that align with your objectives.

Discover New Opportunities

Engage with innovators, experts, and institutions to explore emerging trends and startup opportunities in the fisheries sector.
