

MANAGE-FISHub's

Fisheries StartUp and Aquapreneurship Stakeholders Meet

Connect. Collaborate. Catalyse

In Collaboration with

**Sher-e-Kashmir University of Agricultural Sciences and
Technology of Kashmir (SKUAST- K)**

26th October, 2026

SKUAST- K, Shalimar, Srinagar, Jammu & Kashmir

MANAGE

The National Institute of Agricultural Extension Management (**MANAGE**), an autonomous organisation under the Ministry of Agriculture and Farmers Welfare, Government of India is an apex body for Agricultural Extension Management in India. MANAGE offers services like Capacity Building, Management Education, Piloting and Implementing Flagship National Schemes, Consultancy, Research, Knowledge Management and Policy Advocacy in Agricultural Extension Management (<https://www.manage.gov.in>).

MANAGE-FISHub

MANAGE-Fisheries Innovation and Startup Hub (**MANAGE-FISHub**) is a national-level incubation and innovation platform established at the National Institute of Agricultural Extension Management (MANAGE), Hyderabad, in 2025 with the support of the Department of Fisheries (DoF), Ministry of Fisheries, Animal Husbandry and Dairying (MoFAHD), Government of India. MANAGE-FISHub aims to transform India's fisheries and aquaculture sector through innovation, entrepreneurship, and ecosystem development by mentoring and promoting fisheries startups, creating employment and entrepreneurial opportunities aligned with national priorities, and enabling the rapid commercialization of technologies emerging from research, academia, and individual innovators. (<https://www.manage.gov.in/managefishub>).

SKUAST-K

Sher-e-Kashmir University of Agricultural Sciences and Technology of Kashmir (SKUAST-K), headquartered at Shalimar, Srinagar, is a multi-campus agricultural university committed to education, research and extension in agriculture and allied sciences. Through its colleges, research centres, Krishi Vigyan Kendras and extension institutions, SKUAST-K works to generate knowledge, develop technologies and strengthen the capacity of stakeholders across the agricultural sector(<https://skuastkashmir.ac.in/>).

The Faculty of Fisheries, SKUAST-K is dedicated to excellence in fisheries education, research, and extension. Established to promote sustainable aquaculture, fisheries management, and aquatic resource conservation, the faculty offers quality education, practical training, and research opportunities to prepare skilled fisheries professionals (<https://skuastkashmir.ac.in/DisplayFaculty.aspx?id=4>).

The SKUAST-K Innovation, Incubation & Entrepreneurship Centre (SKIE) is the dedicated innovation and incubation platform of SKUAST-K, established to promote innovation-led entrepreneurship and support the development of knowledge and technology-based enterprises (<https://skie.co.in/>).

Objectives

01. To tap the Fisheries Potential of Jammu & Kashmir.

To develop trained human resources in Coldwater/Hill fisheries across the country and the Union Territory of Jammu & Kashmir in particular.

02.

03. To organize Research & Development (R&D) in Coldwater/Mountain Fisheries.

To develop the technologies for mass seed production of *Schizothoracids* (snow trouts) for natural stock enhancement and their subsequent culture.

04.

About the Program

The Fisheries-StartUp & Aquapreneurship Stakeholders Meet aims to bring together all key stakeholders of India's fisheries and aquaculture ecosystem on a single collaborative platform and bridge the information gap, by facilitating a seamless exchange of knowledge, resources, and partnership opportunities among them.

The program aims to strengthen the fisheries entrepreneurship landscape by fostering innovation, collaboration, and value-chain integration. It provides startups with opportunities to showcase innovations, connect with partners, and learn from successful ventures. By facilitating dialogue and partnerships, the program seeks to build an inclusive ecosystem that accelerates sustainable growth, technological adoption, and blue economy development. Who Can Attend?

Fisheries Startups &
Aquapreneurs

Aspiring
Aquapreneurs

Fisheries Incubators,
Accelerators &
Innovation Hubs

Fishers &
Fish Farmers

Fisheries Students
& Researchers

Financial & Funding
Organisations

Academic &
Research
Institutes

Fisheries & Allied
Industries

FFPOs,
Cooperatives
& SHG's

Policy Makers

NGO's & Extension
Functionaries

Other Stakeholders
in the Fisheries
Startup Ecosystem

Focus Areas

Aquaculture
Mechanisation &
Innovation

AI & IOT in
Fisheries

Waste to
Wealth

Biotechnology &
Genetics

Integrated &
Secondary
Aquaculture

Blockchain
Technology

Fisheries Extension
&
Advisory

Post-Harvest &
Cold chain
innovations

Fisheries Inputs
& Feed Technology

Other Innovations
in Fisheries &
Aquaculture

Key Takeaways

Build Networks

Meet individuals who can potentially become business partners, clients, mentors, or collaborators.

Gain Visibility

Showcase your products and technologies to a relevant audience, increasing your visibility within the local business community.

Learning & Exposure

Gain insights from Fisheries-Startup Stakeholders through Networking, Talks and Discussions

Forge New Partnerships

Facilitate collaborations and discover opportunities for joint ventures, partnerships, or projects that align with your objectives.

Discover New Opportunities

Engage with innovators, experts, and institutions to explore emerging trends and startup opportunities in the fisheries sector.

Organizing Team

Dr. Nazir Ahmad Ganai

Hon'ble Vice- Chancellor

Sher-e-Kashmir University of Agricultural Sciences & Technology of Kashmir
(SKUAST-K), Shalimar, Srinagar, Jammu & Kashmir

Dr. Saravanan Raj

Director (Agricultural Extension)
