MANAGE

The National Institute of Agricultural Extension Management (MANAGE), an autonomous organisation under the Ministry of Agriculture and Farmers Welfare, Government of India is an apex body for Agricultural Extension Management in India. MANAGE offers services like Capacity building, Management Education, Piloting and Implementing Flagship National Schemes, Consultancy, Research, Knowledge Management and Policy Advocacy in Agricultural Extension Management (<https://www.manage.gov.in>).

MANAGE-FISHub

MANAGE-Fisheries Innovation and Startup Hub (MANAGE-FISHub) is a national-level incubation and innovation platform established at the National Institute of Agricultural Extension Management (MANAGE), Hyderabad, in 2025 with the support of the Department of Fisheries (DoF), Ministry of Fisheries, Animal Husbandry and Dairying (MoFAHD), Government of India. MANAGE-FISHub aims to transform India's fisheries and aquaculture sector through innovation, entrepreneurship, and ecosystem development by mentoring and promoting fisheries startups, creating employment and entrepreneurial opportunities aligned with national priorities, and enabling the rapid commercialization of technologies emerging from research, academia, and individual innovators (<https://www.manage.gov.in/managefishub/>).

SKUAST-K

Sher-e-Kashmir University of Agricultural Sciences and Technology of Kashmir (SKUAST-K), headquartered at Shalimar, Srinagar, is a multi-campus agricultural university committed to education, research and extension in agriculture and allied sciences. Through its colleges, research centres, Krishi Vigyan Kendras and extension institutions, SKUAST-K works to generate knowledge, develop technologies and strengthen the capacity of stakeholders across the agricultural sector. (<https://skuastkashmir.ac.in/>)

The Faculty of Fisheries, SKUAST-K is dedicated to excellence in fisheries education, research, and extension. Established to promote sustainable aquaculture, fisheries management, and aquatic resource conservation, the faculty offers quality education, practical training, and research opportunities to prepare skilled fisheries professionals.

The SKUAST-K Innovation, Incubation & Entrepreneurship Centre (SKIE) is the dedicated innovation and incubation platform of SKUAST-K, established to promote innovation-led entrepreneurship and support the development of knowledge and technology-based enterprises (<https://skie.co.in/>).

Objectives

To tap the Fisheries potential of Jammu & Kashmir.

1

2

To develop trained human resources in Coldwater/Hill fisheries across the country and the Union Territory of Jammu & Kashmir in particular.

To organize Research & Development (R&D) in Coldwater/Mountain fisheries.

3

4

To develop the technologies for mass seed production of *Schizothoracids* (snow trouts) for natural stock enhancement and their subsequent culture.

About the Program

Aqua Yuva is a youth-focused programme aimed at empowering fisheries students and young professionals with knowledge, skills, and exposure to entrepreneurship and aquaculture startups. The programme provides a platform to interact with experts and stakeholders, enabling exchange of ideas and insights.

By bridging the gap between technical education and enterprise development, Aqua Yuva inspires participants towards self-employment and aquapreneurship. The programme nurtures a confident, skilled, and future-ready generation capable of contributing to sustainable fisheries development and the growth of India's blue economy.

Who can attend?

**Fisheries Students
(UG / PG / Ph.D.)**

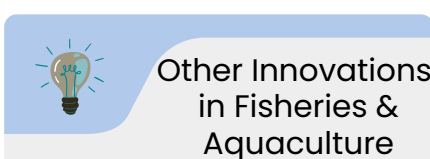

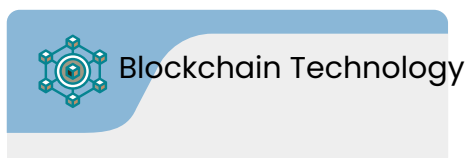

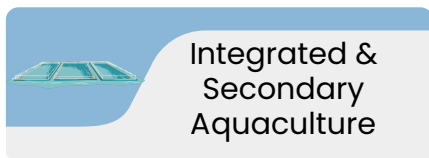

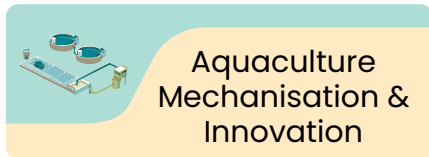

Registration fees

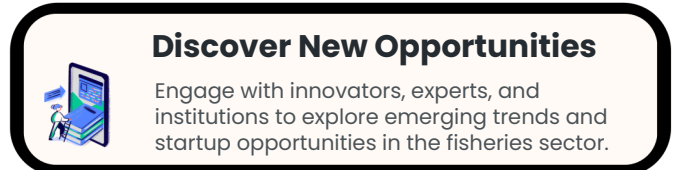

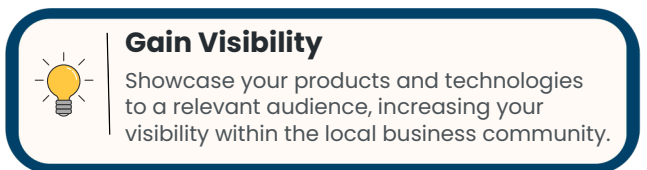

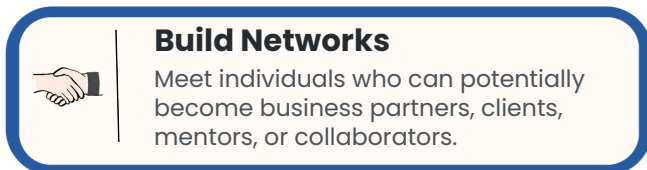

**₹500 per
participant**
