MANAGE

The National Institute of Agricultural Extension Management (MANAGE), an autonomous organisation under the Ministry of Agriculture and Farmers Welfare, Government of India is an apex body for Agricultural Extension Management in India. MANAGE offers services like Capacity building, Management Education, Piloting and Implementing Flagship National Schemes, Consultancy, Research, Knowledge Management and Policy Advocacy in Agricultural Extension Management (<https://www.manage.gov.in>).

MANAGE-FISHub

MANAGE-Fisheries Innovation and Startup Hub (MANAGE-FISHub) is a national-level incubation and innovation platform established at the National Institute of Agricultural Extension Management (MANAGE), Hyderabad, in 2025 with the support of the Department of Fisheries (DoF), Ministry of Fisheries, Animal Husbandry and Dairying (MoFAHD), Government of India. MANAGE-FISHub aims to transform India's fisheries and aquaculture sector through innovation, entrepreneurship, and ecosystem development by mentoring and promoting fisheries startups, creating employment and entrepreneurial opportunities aligned with national priorities, and enabling the rapid commercialization of technologies emerging from research, academia, and individual innovators. CCS HAU

Chaudhary Charan Singh Haryana Agricultural University (CCSHAU) is the apex agricultural institution in Haryana, contributing significantly to education, research, and extension in agriculture and allied sciences, including fisheries. The University was established in 1970 and is headquartered in Hisar, Haryana. CCSHAU aims to strengthen the agricultural and allied sectors through skilled human resource development, problem-oriented research, and effective dissemination of technologies to farmers and stakeholders. The University offers Undergraduate, Postgraduate, and Doctoral programmes, including Bachelor of Fisheries Science (B.F.Sc.), along with advanced studies in Agriculture, Agricultural Engineering, Basic Sciences, Community Science, and allied disciplines, supporting sustainable agriculture and fisheries development in the state.

Objectives

- 1 To produce trained graduates equipped with modern techniques and management practices in Fisheries
- 2 To develop entrepreneurial outlook in graduates for optimal utilization of natural resources
- 3 To provide quality education, research and training in fish breeding, value-added products and aquaponics, etc.
- 4 To prepare graduates to face challenges in the fast-developing fisheries sector at national and international levels

About the Program

Aqua Yuva is a youth-focused programme aimed at empowering fisheries students and young professionals with knowledge, skills, and exposure to entrepreneurship and aquaculture startups. The programme provides a platform to interact with experts and stakeholders, enabling exchange of ideas and insights.

By bridging the gap between technical education and enterprise development, Aqua Yuva inspires participants towards self-employment and aquapreneurship. The programme nurtures a confident, skilled, and future-ready generation capable of contributing to sustainable fisheries development and the growth of India's blue economy.

Who can attend?

**Fisheries Students
(UG / PG / Ph.D.)**

Registration fees

**₹500 per
participant**

Focus areas

Aquaculture Mechanisation & Innovation

AI & IOT in Fisheries

Waste to Wealth

Biotechnology & Genetics

Integrated & Secondary Aquaculture

Blockchain Technology

Fisheries Extension & Advisory

Post-Harvest & Cold chain innovations

Fisheries Inputs & Feed Technology

Other Innovations in Fisheries & Aquaculture

Key Takeaways

Build Networks

Meet individuals who can potentially become business partners, clients, mentors, or collaborators.

Forge New Partnerships

Facilitate collaborations and discover opportunities for joint ventures, partnerships, or projects that align with your objectives.

Gain Visibility

Showcase your products and technologies to a relevant audience, increasing your visibility within the local business community.

Discover New Opportunities

Engage with innovators, experts, and institutions to explore emerging trends and startup opportunities in the fisheries sector.

Learning & Exposure

Gain insights from Fisheries-Startup Stakeholders through Networking, Talks and Discussions
