MANAGE

The National Institute of Agricultural Extension Management (**MANAGE**), an autonomous organisation under the Ministry of Agriculture and Farmers Welfare, Government of India is an apex body for Agricultural Extension Management in India. MANAGE offers services like Capacity Building, Management Education, Piloting and Implementing Flagship National Schemes, Consultancy, Research, Knowledge Management and Policy Advocacy in Agricultural Extension Management (<https://www.manage.gov.in>).

MANAGE-FISHub

MANAGE-Fisheries Innovation and Startup Hub (**MANAGE-FISHub**) is a national-level incubation and innovation platform established at the National Institute of Agricultural Extension Management (MANAGE), Hyderabad, in 2025 with the support of the Department of Fisheries (DoF), Ministry of Fisheries, Animal Husbandry and Dairying (MoFAHD), Government of India. MANAGE-FISHub aims to transform India's fisheries and aquaculture sector through innovation, entrepreneurship, and ecosystem development by mentoring and promoting fisheries startups, creating employment and entrepreneurial opportunities aligned with national priorities, and enabling the rapid commercialization of technologies emerging from research, academia, and individual innovators. (<https://www.manage.gov.in/managefishub>).

BASU

Bihar Animal Sciences University (BASU) has been established with its headquarters at Patna through an act of Bihar State (BASU Act No. 15 of 2016, notified in the Bihar Gazette on 29 August 2016). The University became operational from 13 June 2017. The new University has been carved out of the Bihar Agricultural University as two of its constituent colleges at Patna viz. Bihar Veterinary College and Sanjay Gandhi Institute of Dairy Technology have been transferred to the BASU (<https://basu.org.in/>).

The College of Fisheries, Kishanganj was incorporated in the Bihar Animal Sciences University Act as one of its constituent college. This College is situated on the banks of river Mahananda in the campus of Dr. Kalam Agriculture College at Arrabari in Kishanganj district of Bihar. The college formally inaugurated and announced the start of first academic session on 29th August 2018. This college offers a credible fisheries education institution that nurtures the next-generation of professionals and entrepreneurs in the fisheries sector and contributes to the state and nation by pursuing innovations and research which is relevant to local needs and directed towards maximizing outcomes for economic, social and environmental well-being. The College of Fisheries is committed to become a centre of excellence in Fisheries education in the region.

Objectives

- To make arrangement for giving education in different branches of study, particularly Veterinary Science & Animal Husbandry, Poultry, Fisheries, Dairy and other allied branches of learning and scholarship
- To further the advancement of learning and conducting of research, particularly in Veterinary & Animal Sciences and other allied sciences
- To undertake the extension of education of such sciences and technologies that are relevant for the rural people of the State
- To facilitate and ensure qualitative improvement in the teaching and learning processes and methodology
- To facilitate and ensure quality research in the contemporary and frontier areas of animal science and technologies
- To facilitate the need for an organized process of life long learning
- To disseminate knowledge and findings emerging in the University, its colleges, and institutions
- To establish partnerships with the industries and other entities working in animal science and technology and agriculture manufacturing
- To establish Hospital for treatment/ research-role of the University.

About the Program

The Fisheries-StartUp and Aquapreneurship Stakeholders Meet aims to bring together all key stakeholders of India's fisheries and aquaculture ecosystem on a single collaborative platform and bridge the information gap, by facilitating a seamless exchange of knowledge, resources, and partnership opportunities among them.

The program aims to strengthen the fisheries entrepreneurship landscape by fostering innovation, collaboration, and value-chain integration. It provides startups with opportunities to showcase innovations, connect with partners, and learn from successful ventures. By facilitating dialogue and partnerships, the program seeks to build an inclusive ecosystem that accelerates sustainable growth, technological adoption, and blue economy development.

Who Can Attend?

Fisheries Startups & Aquapreneurs

Aspiring Aquapreneurs

Fisheries Incubators, Accelerators & Innovation Hubs

Fishers & Fish Farmers

Fisheries Students & Researchers

Financial & Funding Organisations

Academic & Research Institutes

Fisheries & Allied Industries

FFPOs, Cooperatives & SHG's

Policy Makers

NGO's & Extension Functionaries

Other Stakeholders in the Fisheries Startup Ecosystem
