MANAGE

The National Institute of Agricultural Extension Management (MANAGE), an autonomous organisation under the Ministry of Agriculture and Farmers Welfare, Government of India is an apex body for Agricultural Extension Management in India. MANAGE offers services like Capacity Building, Management Education, Piloting and Implementing Flagship National Schemes, Consultancy, Research, Knowledge Management and Policy Advocacy in Agricultural Extension Management (https://www.manage.gov.in).

MANAGE-FISHub

MANAGE-Fisheries Innovation and Startup Hub (MANAGE-FISHub) is a national-level incubation and innovation platform established at the National Institute of Agricultural Extension Management (MANAGE), Hyderabad, in 2025 with the support of the Department of Fisheries (DoF), Ministry of Fisheries, Animal Husbandry and Dairying (MoFAHD), Government of India. MANAGE-FISHub aims to transform India's fisheries and aquaculture sector through innovation, entrepreneurship, and ecosystem development by mentoring and promoting fisheries startups, creating employment and entrepreneurial opportunities aligned with national priorities, and enabling the rapid commercialization of technologies emerging from research, academia, and individual innovators. (https://www.manage.gov.in/managefishub).

Our Programs

- MANAGE-FISHub Pre-Incubation Program
- MANAGE-FISHub Incubation Program
- MANAGE Aqua Eureka Program
- Fisheries-StartUp & Aquapreneurship Stakeholders Meet
- MANAGE-FISHub Fortnightly Friday (F3) Webinars
- MANAGE-FISHub Internship Program
- MANAGE-FISHub AQUAREACH
- MANAGE-FISHub Aqua Yuva & Udhyami

DSVCKV

Dau Shri Vasudev Chandrakar Kamdhenu Vishwavidyalaya (DSVCKV) was established on 11 April 2012 under the Chhattisgarh Kamdhenu Vishwavidyalaya Act, 2011. The university focuses on veterinary, animal and fisheries sciences, with an emphasis on improving livestock productivity, controlling infectious and zoonotic diseases, ensuring food safety and enhancing farmers' income, particularly in rural and tribal regions of Chhattisgarh.

The Late Shri Punaram Nishad College of Fisheries, Kawardha, is a constituent college of DSVCKV, established in 2010. It offers undergraduate and postgraduate programmes in Fisheries Science, including B.F.Sc. and M.F.Sc. The college has five departments covering Aquaculture, Fisheries Resource Management, Aquatic Environment and Health Management, Fish Harvest and Post-Harvest Technology, and Fisheries Basic Science and Humanities. Its activities focus on fisheries research, sustainable aquaculture, fish processing, value addition, training and technology transfer.

Objectives

- To provide quality, skill-integrated and industry-oriented higher education through academic programmes in diverse disciplines
- To develop employable and industry-ready human reaources through practical experiential and hands on learning
- To promote entrepreneurship and innovation and encourage students to develop enterprises and sustainable livelihood opportunities.
- To undertake research and technology development addressing local and industry specific challenges
- To support rural and economically disadvantaged communities through education, skill development, training and outreach programmes
- To promote sustainable development and environment conservation, including sustainable fisheries, aquaculture and aquatic resource management throug the school of Fisheries
- To strength industry, community and institutional linkages for knowledge sharing, technology transfer, employment and entrepreneurship opportunities
- To contribute to sustainable livehoods and community development through education, research innovation and fiels -based interventions

About the Program

The Fisheries-StartUp and Aquapreneurship Stakeholders Meet aims to bring together all key stakeholders of India's fisheries and aquaculture ecosystem on a single collaborative platform and bridge the information gap, by facilitating a seamless exchange of knowledge, resources, and partnership opportunities among them.

The program aims to strengthen the fisheries entrepreneurship landscape by fostering innovation, collaboration, and value-chain integration. It provides startups with opportunities to showcase innovations, connect with partners, and learn from successful ventures. By facilitating dialogue and partnerships, the program seeks to build an inclusive ecosystem that accelerates sustainable growth, technological adoption, and blue economy development.

Who Can Attend?

- Fisheries Startups & Aquapreneurs
- Aspiring Aquapreneurs
- Fisheries Incubators, Accelerators & Innovation Hubs
- Fishers & Fish Farmers
- Fisheries Students & Researchers
- Financial & Funding Organisations
- Academic & Research Institutes
- Fisheries & Allied Industries
- FFPOs, Cooperatives & SHG's
- Policy Makers
- NGO's & Extension Functionaries
- Other Stakeholders in the Fisheries Startup Ecosystem

GOVERNMENT OF INDIA
मत्स्यपालन विभाग
Department of Fisheries

Focus Areas

- Aquaculture Mechanisation & Innovation
- AI & IOT in Fisheries
- Waste to Wealth
- Biotechnology & Genetics
- Integrated & Secondary Aquaculture
- Blockchain Technology
- Fisheries Extension & Advisory
- Post-Harvest & Cold chain innovations
- Fisheries Inputs & Feed Technology
- Other Innovations in Fisheries & Aquaculture

Key Takeaways

Build Networks
Meet individuals who can potentially become business partners, clients, mentors, or collaborators.

Gain Visibility
Showcase your products and technologies toa relevant audience, increasing your visibility within the local business community.

Learning & Exposure
Gain insights from Fisheries-Startup Stakeholders through Networking, Talks and Discussions

Forge New Partnerships
Facilitate collaborations and discover opportunities for joint ventures, partnerships, or projects that align with your objectives.

Discover New Opportunities
Engage with innovators, experts, and institutions to explore emerging trendsand startup opportunities in the fisheries sector.
