

Online Programme on Post-Graduate Diploma in Agricultural Extension Management (PGDAEM-MOOCs, 2021-22) IX Batch

About the Programme

The public extension system play a vital role in transferring knowledge to farmers. Hence extension personnel needs to be updated in knowledge and skills of technology transfer and MANAGE has been playing a key role in this endeavor. MANAGE has been implementing a one-year Online Post Graduate Diploma in Agricultural Extension Management, PGDAEM-MOOCs since 2017, for graduates who aspire to enrich their knowledge in Agricultural Extension Management.

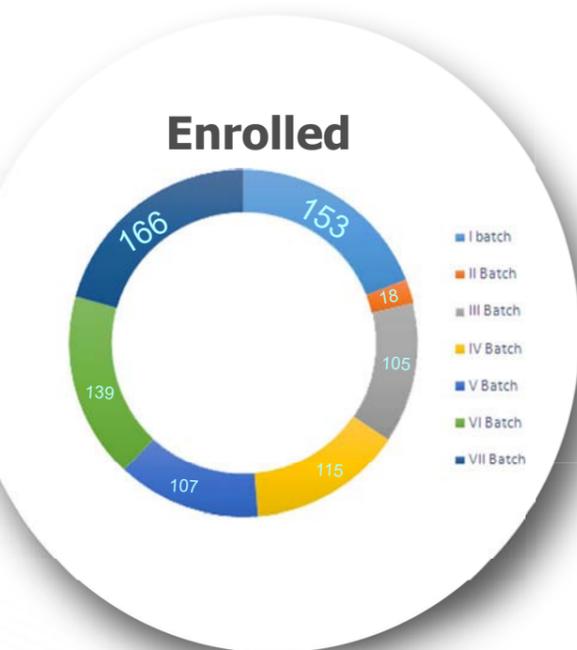

Course Objectives:

- To enhance the techno-managerial competence of extension functionaries.
- To acquaint extension functionaries with the latest developments in the field of agricultural extension.
- To equip extension functionaries with the latest tools and techniques for participatory decision making.
- To develop an insight into various extension models to enrich the agri - value chain.

Eligibility Criteria for enrolment:

- The candidate possess Bachelor's degree in Agriculture or Allied subjects (OR)
- Bachelor's degree in any discipline must be from any recognized Indian University
- The degree must be from any Indian University incorporated by an Act of Central or State Legislature in India or other educational institution established by an Act of Parliament or declared to be deemed University under Section 3 of the University Grants Commission Act, 1956 (OR)
