ABOUT THE INSTITUTE:

The National Institute of Agricultural Extension Management (MANAGE) established in 1987, is an apex level autonomous institute under the Ministry of Agriculture & Farmers Welfare, Government of India. MANAGE is involved in major initiatives towards reorientation and modernization of the agricultural extension system, for evolving effective ways of managing the extension system through professional guidance and training of critical manpower.

MANAGE offers its services in Training, Consultancy, Management Education, Research and Information Services. MANAGE has been facilitating in the implementation of Centrally Sponsored Scheme "Support to State Extension Programme for Extension Reforms", which comes under Sub Mission on Agricultural Extension (SMAE) of the National Mission on Agricultural Extension and Technology (NMAET)" being implemented across the country with enrollment from over 700 districts in 31 States and 5 Union Territories of the country.

POST GRADUATE DIPLOMA IN AGRICULTURAL EXTENSION MANAGEMENT (PGDAEM)

There are around one lakh public extension functionaries in India. The public and private extension system extension functionaries play a crucial role in addressing the serious concerns in Indian agriculture such as major percentage of small holding farmers, huge yield gaps, disparity in use of inputs and deterioration of natural resources. There is a need to encourage and empower them through capacity building for improving their effectiveness in extension delivery system.

MANAGE has launched the Post Graduate Diploma in Agricultural Extension Management (PGDAEM) is in distance learning mode during 2007 under this Centrally Sponsored Scheme exclusively on Agricultural Extension Management, for the public and private extension functionaries of the country. The programme has completed fifteen years and the sixteenth batch is in progress.

Across the period more than 23,000 candidates from Agriculture and Allied sectors have enrolled in PGDAEM. The PGDAEM being a unique intervention for strengthening the capacities of extension personnel, has gained a lot of interest and popularity in recent times.

Since its inception in 2007 the programme received full support of the Government of India (GoI) till the Financial Year 2014-15. With effect from Financial Year 2015-16, the States are getting the support of the Department of Agriculture & Farmers Welfare (DA & FW), Govt. of India under Extension Reforms Scheme to the tune of 60%, 90% and 100% for General States, North-Eastern States & three Himalayan States and Union Territories respectively.

The remaining amount (matching share) 40% and 10% for the General States and North Eastern & three Himalayan States respectively is contributed by the concerned State Governments.

PGDAEM helped me in handling the field situation effectively and professionally interacting with farmers.

- Ms. Ms Almas Fathima M, Gold medalist, 16th batch, PGDAEM.

Objectives of the PGDAEM Programme

To enhance the techno-managerial competence of extension functionaries

To acquaint the learners on the latest developments in the field of agricultural extension

To equip the learners with the tools and techniques for participatory decision making.

To develop an insight into various extension models to enrich the agri-value chain.
