The MANAGE Metamorphosis

Elevating Knowledge, Inspiring Innovation

At the National Institute of Agricultural Extension Management (MANAGE), we embrace the rapid advancements in agriculture and the escalating demand for skilled managers in this sector. As tomorrow's agri business managers face unprecedented challenges in a swiftly changing business landscape, globalisation, competition, and evolving government policies, our Post-Graduate Diploma in Management (Agri-Business Management) remains at the core of our founding philosophy.

Adjudged as the India's Top Featured Sectoral B-School (Agriculture) in India (Outlook-ICARE's Annual Rankings, 2023), MANAGE is committed to nurturing dedicated agri business technomanagers who excel in overseeing the intricate connections among different components of the agri business value chain, encompassing both forward and backward linkages. Our students undergo a transformative experience that shapes them into visionary leaders capable of driving growth and innovation in the agri business domain. When you recruit from MANAGE, you gain access to a pool of talented individuals from pan India, who have undergone a rigorous curriculum, empowering them to face the complexities of the industry.

Message from Director General & Principal Coordinator

Message from Director General

MANAGE Pioneered its Post Graduate Diploma in Agri business Management in 1996 with a firm vision to enable Agriculture to transform into Agri business. This two year residential PGDM (ABM) program focuses on unearthing the potential of the students and enabling them to be competent in various positions across the Agri-Value Chain. It produces quality Agri business Techno-managers who have been working for the past few years in the entire spectrum of Agri business. The fact that the program has attracted a growing number of companies for recruitment and witnessed an increase in the offered CTC each year is a testament to its quality and the calibre of its graduates. The program has also produced thought leaders, industry leaders, and entrepreneurs in the agri business sector over the years. The programme has initiated international study visits of students to broaden their vision. We are also going to transform this programme as international from this year. This speaks to the program's effectiveness in nurturing talent and fostering innovation within the industry. I am confident that the 2022-24 batch of talented, highly motivated, experienced and well balanced individuals have the calibre to lead your organisation and Agri business sector into the future.

Dr. P. Chandra Shekara
Director General MANAGE, Hyderabad

Message from Principal Coordinator

The two year residential PGDM (ABM) program at MANAGE is designed to unlock the potential and to enhance the competency of MANAGE students, to serve the whole gamut of operations in the Agri-Value Chain. The growing interest from companies, as evidenced by an increasing number of recruiters consistently visiting the MANAGE campus from diverse sectors, underscores the value that MANAGE graduates bring to the agri business industry. The diversity of the 2022-24 batch, which includes individuals from various socio-cultural backgrounds, work experience, and disciplines, is undoubtedly an asset for recruiters. This diversity can provide a range of perspectives and skills to meet the evolving needs of the agri business sector. I extend my warm invitation to you to the MANAGE campus to recruit these exciting young Agri business-techno managers.

Dr. K. Anand Reddy
Principal Coordinator, PGDM(ABM) MANAGE, Hyderabad

About MANAGE

MANAGE is certified by BSI under Quality Management System – ISO 9001:2008 for providing training, education, research, consultancy, documentation and dissemination services in the area of management and agricultural extension. The institute also has AICTE, AIU and NBA accreditation.

In order to unlock and maximise the true potential of India's agriculture sector, leading to substantial contributions to the nation's GDP, it is essential to view agriculture as a professional enterprise. MANAGE's flagship PGDM (ABM) program is meticulously crafted to consistently produce a skilled managerial workforce for the agri business sector year after year. With a strong alumni network holding influential positions across diverse industries worldwide, MANAGE has a proven track record of training exceptional leaders who are committed to driving the growth of agri business. The program represents an unparalleled endeavour to bridge the gap between academia and industry, taking into

account the continuous changes in policies, markets, and industry requirements. In addition to regularly updating the curriculum and teaching methods, MANAGE places a strong emphasis on industrial visits, guest lectures, and participation in various B-school and corporate competitions as part of the extracurricular activities.

The Agri business sector is diversifying as major companies and conglomerates are venturing into this industry. This has led to a never before demand for competent, professional managers capable of handling a whole gamut of operations from farming to marketing and procurement to retail. It requires thriving talents who can face challenges in an innovative demur. The National Institute of Agricultural Extension Management (MANAGE) is the pioneer institute to conceive the concept of Agri-Business Management (ABM) in 1996. Established in 1987 as an apex National Institute under the Ministry of Agriculture and Farmers' Welfare, Govt. of India, MANAGE offers a 2-year fully

residential flagship Post-Graduate Diploma in Management (Agri-Business Management). MANAGE is vested with the responsibility of assisting the Central & State Governments and other public & private sector organisations in effective management systems.

Vision

To be counted among the most pioneering, innovative, farmer-focused and self-supporting agricultural management institutes in the world.

Mission

Facilitating the acquisition of managerial and technical skills by Extension Officers, Managers, Scientists and Administrators in all sectors of the agricultural economy to enable them to provide the most effective support and services to farmers and fishermen for practising sustainable agriculture

Professional Services

MANAGE offers its services in the following 6 streams:

1. Management Education
2. Consultancy
3. Management Training
4. Research
5. Information, Documentation and Dissemination
6. Implementation of GOI Programs/Schemes

Why Recruit from MANAGE?

Diversity

The Tapestry Of Unique Perspectives And Experiences-MANAGEites are enriched with a high level of integrity, drive, leadership, perseverance, intelligence and adaptability to change. MANAGE values out-of-the-box thinking and novelty backed up by coherent and planned teamwork. The comprehensive course curriculum and the academic rigour challenges us and aids in our holistic development through a wide range of professional opportunities, leadership experiences, service programs and extracurricular activities to make us "Corporate Ready". We possess the skills and qualities which are essential to positively influence the world and bring about the change that makes us stand out.

Our Credentials Stand High as Testimonies

Being the pioneer institute in Agri-Business, we hold a strong alumni base worldwide in reputed organisations and promising start-ups. MANAGEites thrive in their work and bring value to their organisations in diverse industries and dynamic fields. The budding entrepreneurs from MANAGE, the ones who take up the odds and travel the roads not taken, accrediting through their accolades and emerging as tycoons, add to the lauds of our institute. MANAGE students envision and work towards revolutionising agri business through their result-oriented approach.

The Vibrancy of Excellence

MANAGE offers a prodigious platform for us to explore ourselves both personally and professionally. The lush green campus enthused with the warm energy channelizes all innovations, technicalities, emotions and even the unheard chords and unseen blaze of the students. The erudite and well-experienced faculty with industrial exposure enlighten us with theoretical concepts and practical knowledge. The student-driven program through various clubs and committees provides scope for the holistic development of every MANAGEite. At the same time, it exposes us not only to the competitive environment within the college but also to the well-reputed institutions all across the country.

Hire Attitudes, Recruit Talents, Employ The Skilled and Rise Together with MANAGEites!

Infrastructure

Being a National Institute, the MANAGE administration makes sure not to compromise with the infrastructure facilities. Right from its inception, the institute has strived to provide the best platform, which is at par with any other elite institute, for its students to transform into competent managers of tomorrow. These facilities play a crucial role not only in the overall development of the students but also in maintaining a healthy lifestyle.

The Campus

Located 16km away from the bustling city of Hyderabad, lies the 4 hectares of an aesthetically landscaped campus of MANAGE which maintains a perfect balance between antiquity and modernity in terms of architecture and captivating perennials, thereby making learning more serene. Apart from its elegant architecture, the campus basks in the glory of nature embellished with arboretums and sprawling flora and fauna and a myriad of other species. With its world-class infrastructure, MANAGE facilitates excellence in teaching, training, research, consulting and other professional activities. It is well equipped with modern amenities including top-notch Video Conference Centers, Hostels, Wi-Fi Connectivity, 24x7 CCTV Surveillance, Recreation Centers and Professional Quality Sports and Fitness Centers.

Lecture Halls

The spacious, air-conditioned, amphitheatre-style lecture halls equipped with smart learning technology such as LCD projectors, Wi-Fi connectivity and other A/V systems foster a better engaging classroom environment.

Cybrary

The state-of-the-art Cybrary is a prime learning centre in MANAGE. Information dissemination services offered by the centre includes access to the library database, literature search, bibliographies and reprographic services. The Cybrary has a collection of books, journals, articles and videos on agriculture and allied subjects which immensely contribute to the different academic programs of the institute. It is a silo of information with 14000 books on management, 170 Indian and foreign journals and over 100 newsletters and conference proceedings. The Cybrary has 24x7 internet connectivity with multi-user capability. It possesses cardinal databases that include CRISIL, Statista, Prowess IQ (Industrial Database) and Commodities from CMIE, Indiatat and ProQuest (a new journal database), which help students to acquire information on the global scenario and many more.

Accommodation

MANAGE, situated amidst the scenic hillock with remarkable infrastructure facilities, offers an ideal backdrop for contemplative learning to students. The high-speed Wi-Fi-enabled hostel block with 170 rooms, including 54 air-conditioned guest rooms, is well furnished with all basic amenities and services along with a devoted housekeeping team.

Incubation Centre

MANAGE entered into an MoU with RenB Mumbai, to set up an incubation centre for MBA students at MANAGE Campus to maximise the exposure and opportunity for alumni and students in commencing a business based on their unique ideas and innovations. This will provide an enhanced platform for students and alumni to shape their ideas into start-up ventures.

Health Centre

Committed to promoting the health and wellness of the campus community, the institute has its own health Centre offering quality health services and in-house doctors.

Yoga

MANAGE promotes the culture of yoga. With a qualified yoga instructor, the dwellers imbibe the yogic forces adding requisite buoyancy and energy to life.

Sports and Recreation

The culture of the institute is to impart learning, complemented with rejuvenating activities which makes the campus a complete workshop for personality discovery and development. Various sports and recreation facilities in the institute like Badminton (Outdoor and Indoor), Basketball, Volleyball, Tennis, Table-Tennis, Snooker, Squash, Cricket Practice Net and well-equipped gym helps in unwinding oneself and engaging in an active lifestyle.

Walkers' Path

As said by Henry David Thoreau "We need the tonic of wilderness. We can never have enough of nature" The Walker's path in campus is a window to the fascinating natural world ready to embrace and soothe its seekers.

Clean Energy Initiative

The commitment and concern of MANAGE towards conserving Mother Earth by utilising Green and Clean energy is visible from the rooftop solar panel grid, catering to 70% of the total energy demand of the institute.

Selection Process

Curriculum Overview

In the two-year program, the total credit load is 116 credits divided among compulsory courses, electives and summer project. It delivers experience-based learning with a focus on real-world application in the agri business environment. Our PGDM program inspires, engages and challenges the students over two years as one develops strategic leadership skills through a constant progression of the curriculum. PGDM (ABM) consists of seven trimesters spread over the entire two years duration.

Course Details

The full-time Post Graduate Diploma in Management (Agri-Business Management) program is recognized by the All India Council for Technical Education (AICTE). The program aims at enabling meritorious agricultural and other graduates acquire critical competencies to function as effective Agri-Business managers. The excellent response from leading Indian and multinational Agri-Business companies in the placement of students as management trainees and their interest in assigning summer projects to them validates the quality of the program. On successful completion of the program, candidates are awarded the Post Graduate Diploma in Management (Agri-Business Management).

Summer Internship

The fourth trimester of the first year is designed to provide opportunities to students to apply their knowledge and skills in real-life work situations through summer projects with prominent Agri-Business companies. Reputed Agri-Business companies visit MANAGE during October/November for selecting students for summer projects of 8-10 weeks duration and many companies view the process as a platform for pre-recruitment. Our students have been awarded Pre-Placement Offers (PPOs) as well as Pre-Placement Interviews (PPIs) from reputed organisations based on their performances.

Live Projects

In the second year of PGDM (ABM), students are given an opportunity to gain corporate exposure based on their area of interest for a period of 4 weeks. ITC (ABD), Bayer CropScience, PI Industries, NCDEX, Kemin Industries, Bunge, Coromandel, EY and Big Basket are some of the companies that offer live projects to the students.

Foreign Exposure Program

The International Summer School 2023, hosted by the University of Nottingham Malaysia, was planned to last for 16 days. Students from various parts of the world enrolled to pursue the certificate courses that were offered. In the year 2023, a total of 260 students participated, representing 20 different countries. Our students specifically enrolled in the "Doing Business in Asia Advanced" course, which provided a comprehensive understanding of business, economics, and management practices within the Asian context. The course successfully combined theoretical insights, practical case studies, and considerations of cross-cultural aspects to fulfill its intended purpose. The program offered a delightful blend of exposure, academic content, opportunities for international networking, entertainment, and much more.

Village Immersion Program

A week spent in the rural areas in the rustic environment and among the rural folks helps the students grab the ideal agro-economic scenario at an elementary level. This program provides the students with an opportunity to understand the potential areas for development in agriculture as well as the constraints faced by the farmers. At the end of the study program, a report is prepared to analyse the bottlenecks in the development and identify opportunities for growth in that area.

Faculty

They've withstood the test of time, taught through bear and bull markets and have consistently imparted life-changing lessons to students year after year. They are not merely teachers - they are the great faculty members at MANAGE exerting impressive learning and experience. They elevate discussions to inspire, challenge and bring out the best in students. Our faculty works at the forefront of innovative business thinking, influential business leaders, managers and policymakers, creating world-class research that explores the key practical and academic issues faced by the agri business world.

Being an Academician, I have had students from the USA, Australia, Singapore and Finland. I would say MANAGE has got one bunch of budding professionals who are very good in their clarity of thoughts, articulation skills and are beaming with their desire to yearn and learn. The interactive sessions have also shaped my perception in many of the topics related to Supply chain management. It was a pleasure teaching at MANAGE.

First Hand Insights

Guest lectures are an integral part of the pedagogy of MANAGE. As part of the “SAMANVAY” Guest Lecture Series, notable guest speakers enrich the learning by delivering lectures on program-specific topics. It brings the students face-to-face with well-known names in business, government, academics and distinguished alumni networks from around the world, who share their valuable insights from their diverse experiences about contemporary business issues, the challenges they have faced and how they dealt with them. Guest lecturers are drawn from a variety of backgrounds, and cover a wide range of issues, from general management to core agri business, to perception and career development. These sessions serve as an ideal platform for the students to supplement their theoretical knowledge with first-hand perspectives from the stalwarts of the industry and also appreciate the different dimensions of handling modern-day business challenges.

Student Clubs & Committees

The MANAGE campus is alive and buzzing with activities throughout the year. Abundant opportunities in the form of quizzes, clubs and events provide an excellent platform for students to showcase their talent.

Emerging Hub of Innovation and Excellence

Cosmos of students from Agriculture, Agri-allied sciences, engineering and other streams learn, grow and excel together in an energetic and multicultural environment. The amalgamation of ideas creates a conducive environment to bring out the best in individuals. Students are given the opportunity to lead and manage all the fronts, from placements and academics to culture and food. Adding to these, training programs, workshops, seminars and MDPs are also conducted at MANAGE for working professionals and executives which provide an opportunity for an enriching experience for students.

Student bodies elect representatives of students responsible for judicious and prompt functioning of obligatory and extracurricular activities on the campus.

Shouldering Responsibilities, Harbours Opportunities

Agribusiness Club

Agribusiness Club organises the flagship National Level events of MANAGE, Krishi Chanakya (For B-Schools) and Unnayan (For Under-graduates), garnering participation from across the country for both online and offline events. Krishi Chanakya (KC) offers a plethora of events ranging from Photography competition to B-Plan competition to Parliamentary Debates to Workshops sponsored by the top corporates in the agri business sector. Every year, KC experiences an exponential rise in the footfall for its events with the 2022 edition recording more than 6700 entries.

Finance and Marketing Club

The Finance & Marketing Club of MANAGE is dedicated to enhancing the financial and marketing skills of MBA students achieving it through events like 'Brandathon,' social media content creation, and a monthly magazine called 'Grey Matters,' which covers current marketing and finance topics alongside dedicated sections like Tycoonhub, Startup Fame, Agriwatch, and Agriscan. It also focuses on ensuring that students are well informed about marketing trends, financial analysis, tax management workshops, and discussions on investment opportunities for their financial well-being.

Literary Club

Over time, the Literary Club of MANAGE has come to be known for its versatility in accordance with the demand of its readers. Their tri-monthly newsletter, SPICE, has evolved with the inclusion of columns like Alumni Speak, Students' Opinion and Surveys, Student Activities and Guest Lectures. They also host the annual intra-collegiate literary and arts fest, Lit O'Mélange.

MANSAR Club

MANSAR Club is the Social Responsibility Club of MANAGE. The club sensitises and encourages students to serve the unserved through their activities. It conducts donation drives, celebrates important days, organises Guest Lectures focusing on welfare and wellbeing and advocates their purpose through their social media handles. Nisarga, a new initiative of MANSAR, directs students' focus to sustainability and cleanliness to instil a sense of responsibility towards the environment and in turn, their lifestyle.

Qurio Club

Ensuring everyone is updated with the news and current affairs through posters on social media handles, the Qurio Club publishes the weekly newsletter, "Qurio Weekly Newsletter," which analyses the current happenings, especially in the agriculture sector. It conducts events like quiz competitions and group discussions that expose the students to recent happenings in Agri business and strengthen their abilities to be Industry fit.

Corporate Relationship and Placement Cell

It is a team of highly dedicated students who work for a common goal of obtaining the desired placement offers for the students in terms of both profiles and organisations to work. The team looks into tasks like student brochure development, resume vetting, pitching, students' skills – job mapping and placements-related event organising. The team conducts mock Group Discussions and Interviews which equip the students to face the placement interviews and be corporate-ready. The Placement Cell also plays an important role in developing and sustaining a long-term mutually beneficial relationship with the industry.

Academic Committee

The Academic Committee MANAGE, an integral part of the institution's academic pillar, acts as a conduit for students' concerns, conveying them to the administration for prompt resolution and improvements. Their responsibilities encompass managing the academic calendar, sourcing faculty from prestigious institutions like IIM, IITs, BITS, and IRMA, and mentoring junior students in academics. They also facilitate students' interaction with management, helping them choose exchange universities, guiding through applications and maintaining program records while staying updated on exchange trends and regulations to ensure a seamless international exchange experience.

Alumni Committee

Alumni Committee strives to foster the bond between the pride of MANAGE - its alumni, faculty and students and create an opportunity to share knowledge and experience, thereby facilitating the exchange of quality ideas and views. To keep in touch with a vibrant alumni network, the committee along with the MANAGE Alumni Association hosts Chapters in major cities. They also host an annual Alumni Meet, Reminiscence, where alumni from across the country rendezvous at MANAGE for an eventful night filled with nostalgia.

Cultural Committee

Cultural Committee, a vibrant group of MANAGE, ensures that the sense of exuberance is not lost amid the busy schedules. With the help of members, more than a dozen festivals are acknowledged reflecting the amassing cultural diversity that prevails at MANAGE. They are responsible for maintaining cultural harmony amidst the diversity of the campus.

Health & Nutrition Committee

Health and nutrition committee has entrusted the responsibility to ensure better quality food and suggest a multi-cuisine menu that results in a better hostel experience for the student community. They care for students' mental and physical health by raising awareness of various practices that contribute to the development of healthy student life on campus via social media.

Sports Committee

The Sports Committee focuses on improving the current sports and recreation facilities. It focuses on achieving fitness goals and maintaining a healthy body which is indispensable for the overall development for both students and faculty. They conduct two annual Sports events – OLYMPUS (inter-collegiate level) and Zenith (intra-collegiate level).

Media Cell

Media Cell was created with a vision to promote MANAGE and its student activities on the Digital Platform. They function on major social platforms, create short videos and serve as a point of information dissemination during the admission season. It assists the administration, other clubs and committees in any content creation process.

Extra-Curricular Activities

Krishi Chanakya

Krishi Chanakya, popularly known as KC in the student community, is a national-level B-School fest to revolutionise agri business. Competence and ideas run through the festival's veins. It places budding managers, academicians and business leaders on a single platform to share their business acumen. While, on one hand, Krishi Chanakya has become a hub of glitz from all across the country, it also dawns the light upon the world to learn from and exchange ideas with contemporary business stalwarts.

Unnayan

Unnayan is a series of national-level competitions designed for undergraduate students. The objective of this event is to give a taste of the management domain to aspiring managers. From equity trading to making a business plan, students find diverse opportunities to show their skills and test their mettle.

Olympus

An inter-collegiate sports event spread over two days in early February where participants from various colleges compete with great vigour and passion. Snooker, Basketball, Table Tennis and Badminton were the events contested for which attractive prizes were given off in a gala closing ceremony.

Godrej LOUD

Godrej Industries Ltd. organises its flagship program LOUD every year. This year MANAGE had an opportunity to prove its mettle along with a select few renowned institutes like IIM A, IIM Trichy, IIFT, SPJIMR, etc. This competition while fulfilling the dreams of first-year students also paves the way for a selected few into the Gurukul Summer Internship Program.

Lit O'Mélange

An intra-collegiate literary and arts festival that celebrates the multitude of genres of literature and creativity. The literary club is instrumental in organising the fest. The festival is a broad mix of penning, debating, quizzing and much more. It acknowledges literary talents, honours literati and artists and also evokes the young generation's interest in literature.

Zenith

The last week of January in MANAGE is marked with joy and enthusiasm where students compete with each other in various sporting events. Zenith 2022 included 4 racquet sports along with chess, carrom, snooker and volleyball. The MANAGE Premier League, a fiercely contested 6-team cricket league with attractive prize money, was also conducted during the same period.

Reminiscence

Organised by the Alumni Committee, Reminiscence is effectively used as a platform to strengthen the Global Alumni network of MANAGE. Marked with cultural events by students, the event serves as an avenue for the current crop of students to interact with their Alumni.

Testimonial

Dr. Shashank Sinha

CEO

Drools Pet Food Pvt. Ltd.

As a proud MANAGE, Hyderabad alumnus, I confidently endorse its exceptional academic journey. The institution nurtures high-calibre students with an industry-oriented curriculum, expert faculty, and emphasis on experiential learning. Its diverse campus life enhances overall development. Hiring from MANAGE guarantees top-notch talent, well-prepared for real-world challenges. The institution’s strong industry connections and placement support ensure graduates excel and contribute significantly to organisations from day one. I highly recommend considering MANAGE talent for their commitment to academic excellence, holistic development, and instilling essential values. Investing in MANAGE graduates means investing in organisational success and contributing to India’s business ecosystem’s growth and progress.

Mr. Kuchibhotla Srinivas

Partner and Industry Leader
- Agri business

KPMG India Services LLP

As a MANAGE, Hyderabad alumnus, I share my exceptional journey at this pioneering business school. Graduating from MANAGE, I can confidently attest to the exceptional caliber of students and the immense industry value it offers. MANAGE’s rigorous academic curriculum, coupled with its industry-oriented approach, builds a strong business foundation. My time there exposed me to subjects under a wide umbrella, giving me a holistic, comprehensive understanding of the evolving business landscape. The faculty at MANAGE, experts and mentors, guide students to think critically, innovatively and creatively. Their unwavering support fosters continuous learning and innovation. A standout feature of MANAGE is its emphasis on experiential learning. Beyond classrooms, projects, internships, and industry interactions prepare students to transition seamlessly into the professional world, well-equipped to make a significant impact. I wholeheartedly endorse MANAGE and believe that it continues to be a beacon of excellence in the realm of business education. My association with MANAGE will forever remain a source of pride, and I am perfectly reassured that future generations of students will find their own remarkable paths to success here.
