Subject: Accreditation status of program applied by National Institute of Agricultural Extension Management, Manage, Rajendra Nagar, 500 030, Hyderabad, Telangana.

Sir,

This has reference to your application dated 18.11.2013 seeking accreditation of National Board of Accreditation for Post Graduate Diploma in Management program offered by your Institute.

2. An Expert Team conducted an on-site evaluation of the program during 22nd to 23rd August, 2015. Report of the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the accreditation status to the following program as given in the table below:

| Sl. No. | Name of the Program | Basis of Evaluation | Accreditation Status | Period of validity w.e.f. 01.07.2015 | Remarks |
|---------|---------------------------------|----------------------|--------------------------|--------------------------------------|---|
| (1) | (2) | (3) | (4) | (5) | (6) |
| 1. | PGDM (Agri Business Management) | November 2012 format | Provisionally Accredited | 2 years | Accreditation status granted is valid for the period indicated in col.5 or till the program has the approval of the competent authority, whichever is earlier |

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the program as indicated in the above Table does not imply that the accreditation has been granted to National Institute of Agricultural Extension Management, Manage, Rajendra Nagar, 500 030, Hyderabad, Telangana as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program accredited, level of program and the period of validity of accreditation, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

5. The accreditation status of the above program is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the table in paragraph 2, appears on the website and information bulletin of your Institute.

6. The accreditation status awarded to the program as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
