Information sought	Reply
This is in regard with the EWS reservation scheme, I have filled an application form for an institution namely MANAGE HYDERABAD, and at the time applying there was not any space for EWS (or the scheme was not launched then) and I did not knew that there can be a option of EWS in that particular institute but at the time of final selection process they are considering EWS but now I do not have a certificate and due to the code of conduct for election I can not get one. Hence not getting the EWS benefit. That means most of the people can not get the benefit, so was it just a election gimmick or is there something which ministry can do. Please do the needful it ishe matter of my future.	No, such information is available with MANAGE.
