## Training Needs of Faculty members

- Training program on scientific agriculture
- Public-Private Partnership in Agricultural Extension Management
- Training Program on Agripreneurship Development
- ICTs in Agriculture – Farmer, Kisan Portals and NeGP Agriculture and KCC
- Extension Approaches For Climate Resilient for Agriculture and Livestock Farming

## Expectation from MANAGE

- Presently MANAGE is working more than our expectations.
- If possible, involve more faculty members of MANAGE during collaborative training program.
- Kindly provide the list of relevant resource persons.
- Guide us in content for training of post graduate students
