Sr. No.	Title of training	Tentative Dates	Mode of training
1.	Innovations in Training Methodologies for Extension Trainers	26 – 28 August, 2025	Online
2.	Use of Artificial Intelligence (AI) and GIS in Agriculture	14 – 16 October, 2025	On campus SAMETI Shimla
3.	Mobile Journalism, Agri-Journalism and use of social media for Agricultural Extension	28 – 30 January, 2026	Online
4.	Climate change and adaptation	18 – 20 February, 2026	Online

Training Needs of Faculty Members

On following topics the faculty members of SAMETI Himachal Pradesh needs training:-

- Communication Skills
- Online Training Skills
- Presentation Skills

Expectations from MANAGE

- For DAESI batch give special permission to reduce the size of the batch from 40 candidates to 20 candidates for two tribal districts of the State (Kinnaur and Lahaul & Spiti) because population is very low in these districts and geographical area is very large due to which it is not possible to complete the batch of 40 candidates.
- Increase the cost norms of the DAESI scheme, particularly for refreshments and lunch, as the current amount of Rs. 75.00 is too low. Additionally, the allocation of Rs. 42,000.00 (6+1) days for the STRY program is also insufficient.

Contact details of Head and Faculty

Sr. No.	Name of the officer	Designation	Mobile No.
1.	Dr. Pawan Kumar	Director	8580437173
2.	Dr. Sunita Thakur	Vice Principal	7018501658
3.	Dr. Puneet Dogra	Training Officer	9805420257
4.	Dr. D. P. Sharma	Training Officer	8628042374
5.	Dr. Yovraj	Training Officer	8219278900
