EXPECTATIONS FROM MANAGE

☐ **Provision of Expert Resource Persons**

Recommend a panel of experienced and reputed resource persons with contact details for seamless coordination and effective engagement during training sessions.

☐ **Identification of Emerging Training Needs**

Suggest emerging topics and training priorities in agriculture, based on recent research studies and field data.

☐ **Access to Digital Meeting Platforms**

Issue licenses for online meeting platforms for short-term use (e.g., three days) especially for Union Territories (UTs) conducting few number of online programs annually, avoiding the need for long-term subscriptions.
