THE INSTITUTE:-

- The State Institute of Agriculture Extension and Training (SIAET), Bhad-bhada Road, Barkhedi Kalan, Bhopal (M.P.) is setup in 2006 by the Department of Farmers Welfare and Agriculture Development, Govt. of Madhya Pradesh. The SIAET is located in a seven acre campus in the municipal area Bhad-bhada Road, Bhopal-462044 (M.P.), 10 Km. away from Bhopal & Habibganj Railway Station and also Bhopal Nadra Bus stand & ISBT, Habibganj. The campus provides an ambience of the functional efficiency with modern and comfortable infrastructure and services. The greenery of sprawling lawns, colorful seasonal flowerbeds and density of trees all over the campus highlight the institute's proximity with nature.
- It was initiated as a State response to address various challenges in delivery of services to the farmers. To provide adequate flexibility of operation, the Institute was registered as an Autonomous Society under the Madhya Pradesh Society Registration Act 1973. The mandate of SIAET is to assist the Agriculture and allied departments to help improve their delivery systems through up gradation skills of Extension Personnel.

State Institute of Agriculture Extension & Training (SIAET) is an apex institute for Agriculture Extension and Training for Agriculture and allied departments. In order to ensure regular training and skill up gradation of State and District / Block level extension functionaries and for reaching out to the grass root level extension functionaries and farmers through field visits for Implementation of Agriculture Extension Reforms Schemes (ATMA) in State M.P.

The Institute undertakes various activities such as Training, Consulting, Documentation, Third Party Monitoring, Impact Study of different projects on their needs and function as Agri. information dissemination centre. As a part of the training activity, it conducts a series of training programmes, workshops, seminars and study visits of various categories of personnel on key theme areas as appropriate in the present context. It also undertakes specialized programmes, depending on the need of the organization, based on request on payment basis.

The SIAET is also conducting Post Graduate Diploma in Agricultural Extension Management (PGDAEM) for Extension functionaries in distance learning mode and Diploma in Agricultural Extension Services for Input Dealers (DAESI) a one year diploma programmes which imparts formal agricultural education to the input dealers franchise with National Institute of Agricultural Extension Management (MANAGE), Hyderabad.

The activities of SIAET cover all the stake holders in agricultural development including public private sector organizations, voluntary organizations, farmer's organization and groups, private extension consultants, agri-business organizations and cooperatives apart from State M.P.

MANDATES:-

- To function as the nodal state level training institute in the area of agricultural management.
- To provide capacity building support in extension management related areas to the extension functionaries both from public and private sector.
- To provide consultancy services in the areas like project planning, appraisal, implementation etc.
- To Develop and promote the application of management tools for improving the effectiveness of agricultural extension services through better management of human and material resources.
- To organize need based training programmes for the state level, middle level, grass root Level agricultural and allied sector's extension functionaries and farmers involved in the programme.

- To develop modules on management, communication, participatory methodologies etc. as a sequel to the feedback from training programmes.
- To provide support in carrying out need based specific “Educational courses in Agriculture & related subject to different stakeholders viz. Farmers, input dealers, Officials & Students of Agriculture & related subjects.
- Since the theme of society is very much useful in the complete development of farming system including marketing arrangements, hence the society will continue to operate after the termination of this scheme.
- To develop society as self sustaining institute even after the scheme of “Extension Reform” is terminated.
