## About MANAGE

The **National Institute of Agricultural Extension Management – MANAGE**, Hyderabad was established in 1987 by the Ministry of Agriculture & Farmers Welfare, Government of India as an autonomous Institute as the Indian response to challenges of agricultural extension in a rapidly growing and diverse agriculture sector. The increasing focus on commercialization and market orientation in agriculture as well as the growing complexity of agricultural technologies demanded major initiatives towards reorienting and modernizing the agricultural extension system in the country. Further, effective ways of managing the extension system were needed to transform the existing framework through professional guidance and training of critical manpower.

## Vision & Mission:

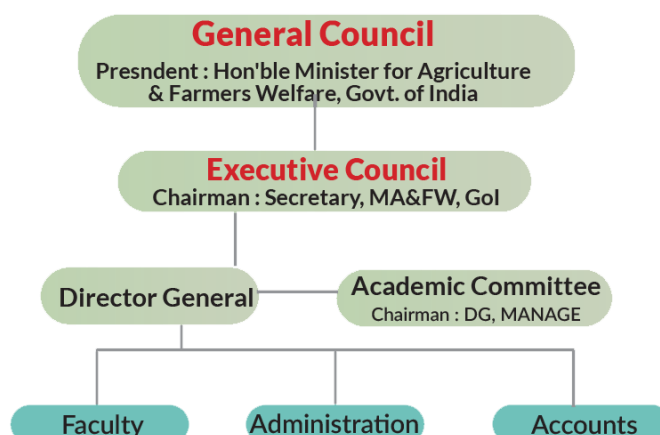

**MANAGE Vision** is to be counted among the most pioneering, innovative, user-friendly and self-supporting agricultural management institutes in the world.

**MANAGE Mission** is to facilitate the acquisition of managerial and technical skills by Extension Officers, Managers, Scientists and Administrators in all sectors of agricultural economy to enable them to provide most effective support and services to Farmers and Fishermen for practicing Sustainable Agriculture and ensuring better income for their produce.

## Aims and Objectives:

- Developing linkages between prominent State, Regional, National and International institutions concerned with agricultural extension management and also agricultural development.
- Gaining insight into agricultural extension management systems and policies.
- Forging collaborative linkages with national and international institutions for sharing faculty resources.
- Developing and promoting application of modern management tools for improving the effectiveness of agricultural extension organizations.
- Organizing need based training for senior and middle level agricultural extension functionaries.
- Conducting problem oriented studies on agricultural extension management.
- Functioning as an international documentation center for collecting, storing, processing and disseminating information on subjects related to agricultural management.

## **Training at MANAGE**

### **Need-based Training Programs**

MANAGE imparts need-based training on select thematic areas to agricultural extension functionaries working in State Departments of Agriculture, Horticulture, Animal Husbandry & Veterinary Services, Fisheries, Sericulture, Scientists of State Agricultural Universities as well as Executives in the private sector. Training Programs, Workshop, Seminars, Conferences, Dialogues, Webinars are organized on key areas of current importance to prepare the extension functionaries to cope with new challenges and for effective implementation of various Flagship Programs of Governments. MANAGE also organizes customized training programs in response to the requests from the Govt. of India, State Governments & UTs, Organizations, Universities and Private Sector Companies.

MANAGE imparts training to senior and middle level Officers in India and also offers training to Senior Executives of Asia and African countries through bi-lateral and multi-lateral Agreements through Govt. of India.

### **Training Methodology**

MANAGE's training programs are farmer-focused and user-friendly. The strength of MANAGE training programs is based in participatory and experiential learning methodology. It includes case studies, success stories, hands-on practice, field visits, group work, soft skills, communication skills, interactive sessions, discussions, presentations by participants, technical sessions by MANAGE faculty and experts drawn from pioneering Institutions in India. MANAGE believes in problem-solving approach to field level issues faced by farmers, officers and other stakeholders in its training programs.

### **Who can attend**

Agricultural Extension functionaries working in State Departments of Agriculture, Horticulture, Animal Husbandry & Veterinary Services, Fisheries, Sericulture, Scientists and Academia from Indian Council of Agricultural Research (ICAR Institutions), State Agricultural Universities, Faculty of State Agricultural Management and Training Institutions (SAMETIs) and Extension Education Institutions (EEIs) in the country can attend MANAGE online or off-line training programs.

MANAGE also encourages Innovative Farmers, Agripreneurs, Input Dealers, Agri Startups, NGOs, Private Sector, FPOs, Research Scholars, Students of Agricultural Universities etc. They may attend online training programs and webinars of MANAGE for free. However, MANAGE will permit highly suitable and serious candidates from this group to attend physical or off-line training programs.

## **How to Register**

MANAGE gives details (title of the training program, scheduled dates, venue, name of the course director and a link for online registration) of all training programs on its website [www.manage.gov.in](http://www.manage.gov.in) two months ahead of the scheduled time. Those who are interested to attend a training program may register through an online registration form mentioned against that program. The eligible candidates will receive confirmation from the concerned course director.

## **Program Schedule**

Usually, MANAGE will follow the schedule as mentioned in the Training Calendar. But however, due to unavoidable circumstances sometimes the dates of training programs may be rescheduled. Hence, it is suggested to check MANAGE website [www.manage.gov.in](http://www.manage.gov.in) and contact the concerned program director for exact dates of the training programs.

## **Fee**

### **National Participants**

There is no course fee for Government Functionaries to attend online or off-line training programs. For the training program in physical mode / off-line, the nominating Government Department / Organization has to bear the Travelling and Dearness Allowance (TA &DA) of their nominees. MANAGE will not pay any TA or DA to participants. MANAGE will provide free lodge and boarding arrangement during the training period at its hostel. MANAGE has limited accommodation facilities at its hostels and guesthouse. Therefore, participants are discouraged to bring accompanies or spouses along with them.

### **International Participants**

International participants may attend Online Training Programs and Webinars free of charge. However, for physical / off-line programs of 3 or 5 days duration, MANAGE charges an amount of US \$500 towards course fee, lodging and boarding charges. Suitable accommodation will be provided at MANAGE hostel. The air travel, visa and any other expenses should be borne by the candidate or the sponsoring organization. The International participants should send their nominations through the Government official channels to MANAGE well in advance for processing and confirmation

### **Consultancy-based Training Programs**

MANAGE organizes training programs on consultancy basis on the request from State Departments, Agricultural Universities, NGOs, FPOs, Private Agri Business Companies.

MANAGE also undertakes highly tailor-made capacity development programs, skill development programs, MDPs and project-specific programs for Executives of Private Sector, Project Managers and Faculty Members of Agricultural Universities and Induction Training Programs for newly recruited officers of State Departments on

consultancy basis. MANAGE may be contacted indicating specific training requirement for a detailed proposal with budget estimate.

## The Campus

MANAGE Campus is designed aesthetically, with sprawling lawns and an ambience of serenity for the pursuit of educational and professional development. It is spread over 37.06 acres at Professor Jayashankar Telangana State Agricultural University Campus at Rajendranagar, Hyderabad. The campus is full of diverse flora and fauna with natural forest, rock formations and splendid water bodies. MANAGE maintains solar and wind power generation plants, water re-cycling & sewage treatment plants, organises me & my plant program and avoid plastic as greening the campus initiative.

MANAGE has well-furnished blocks comprising of office buildings, faculty rooms, training halls, classrooms, hostels for trainees and students, international guest house, library, computer center, MOOCs Lab and health center. The spacious amphitheatre, air-conditioned classrooms and training halls are equipped with the latest audio visual equipment to provide the most conducive atmosphere for dynamic and focused learning.

MANAGE is a Wi-Fi enabled campus. It is very helpful to work from any block/building and receive the same speed of data transfer. MANAGE MOOCs Lab provides state-of-the-art studio facilities to shoot and edit video lessons, lectures, discussions and organize online classes, MOOC-based courses and training programs which reach out to candidates beyond borders.

MANAGE Library has a specialized collection of books, journals, databases, videos and CDs in the field of agriculture and allied aspects. MANAGE disseminates its publications and services through its website and social media platforms like MANAGEIndia YouTube Channel, Facebook to reach stakeholders.

MANAGE has a Health Centre on campus run by a regular physician. It provides timely first aid and emergency as well as regular medical care to the students, staff and their families and also participants attending the training programs.

MANAGE Sports Complex has facilities like indoor and outdoor games, including a well-equipped gymnasium. Yoga classes are conducted for the training participants and the students daily in the early hours at MANAGE campus by a professional coach.
